LOYALIST

MY COLLEGE • MY FUTURE

Loyalist College provides over \$900,000 each year in awards, bursaries, scholarships and Work Study Opportunities!

Scholarships, Bursaries and Awards

To be eligible for bursaries at Loyalist College, students must be registered full-time in a post-secondary program with a minimum 60% course load and demonstrate financial need. Students with a disability must be registered with the Disability Services Office at Loyalist College and must have a minimum 40% course load and demonstrate financial need.

What is the difference between a scholarship, bursary and an award?

A *scholarship* is non-repayable sum of money awarded to a student to help finance further education. Most scholarships are based on merit in areas ranging from academic achievement to athletics. In certain cases, financial need may be taken into account as a secondary criterion to decide between candidates of approximately equal achievement.

A *bursary* is a non-repayable sum of money primarily based on financial need, but academic achievement may also be considered. When applying for bursaries, applicants must provide detailed documentation describing their financial situation.

An *award* is given in recognition of outstanding achievement. Awards may be in the form of books, plaques, subscriptions or money.

What is the difference between an entering, returning, graduating and post-graduate student?

An *entering* student is someone who is entering post-secondary education for the first time. An entering student may not necessarily have come directly from high school. An entering student may also be a mature student who is entering college after several years in the workforce.

A *returning* student is a student who is already enrolled in post-secondary studies, beyond the first-year level.

A *graduating* student is someone who is completing his or her two or three-year program of studies at Loyalist College. Many award and scholarship recipients are identified by their program coordinators as having excelled in their studies. These awards generally recognize achievement throughout the students' academic term at Loyalist College and are presented at the Convocation ceremony.

A *post-graduate* student is someone who has previously graduated from a university or college program and is now entering post-graduate studies at Loyalist College.

All awards and bursaries will be presented at the Undergraduate Awards ceremony in the fall, unless otherwise noted. Please refer to the 'Awards Directory' below for specific details. Students are only required to apply for awards/bursaries with an application deadline date. All other awards/bursaries will be selected by program faculty or the academic awards committee.

For further information regarding awards, bursaries and scholarships offered at Loyalist College, please contact Awards Officer, Joanne Farrell, at (613)-969-1913, ext. 2202 or jfarrell@loyalistic.on.ca.
