2010 INTERNATIONAL ORIENTATION DAY

Thursday, September 2, 2010, 10-2 pm

Loyalist College offers a special orientation for international students and newcomers to Canada prior to the commencement of classes. This is an opportunity for you to meet other international students, become familiar with Loyalist College and the surrounding community and prepare yourself for a successful year at college!

At the orientation, you will receive your timetable, learn how to open a bank account, how to use the college information systems, what to expect in a Canadian college classroom and how to use your health insurance. You will also learn what services and facilities are available on campus to help you, how to use the local bus transit system and other information to help you settle into life in Belleville.

Please let me know if you are planning to attend this orientation by filling out the attached International Centre Registration form.
