

Vice-President, Enrolment Management and Student Services

Loyalist College is seeking a results-oriented, collaborative leader with proven entrepreneurial skills to work with the President as a key member of the senior management team. The Vice-President, Enrolment Management and Student Services will lead the EMSS team in developing and executing exciting and comprehensive enrolment, recruitment, retention, and student success strategies aligned with Loyalist's strategic and operational goals. The incumbent will also provide College-wide leadership to support the achievement of enrolment goals, creating and delivering innovative and challenging plans in collaboration with other College leaders.

Loyalist is a vibrant college and growing College of 3,200 full-time students in over 50 certificate and diploma programs. More than 17,000 part-time registrations each year place the College among the highest levels of lifelong learning activity in Ontario. The College also provides a number of innovative entrepreneurial activities locally and regionally, including corporate training. Loyalist has provided strong provincial leadership in a wide range of areas including vocational standards, online learning and Second Life. Serving the beautiful Southeastern Ontario region, the College is very involved with business, economic development and social development partners throughout our region. Students are our focus, and Loyalist cherishes this reputation.

The College is seeking candidates with: a minimum of a Master's degree in educational administration, business administration or a directly related field; a strong understanding of/experience in the post-secondary education marketplace; related leadership experience in increasingly senior roles in complex, multiple constituency organizations (preferably the public sector/unionized environment); successful experience in marketing and achieving measurable results; managing a complex budget within available resources; experience working consultatively in a collegial environment where diversity of opinion is the norm; experience in, and commitment to, advocacy and public affairs; success in developing and implementing partnerships/alliances; and demonstrated strengths in leading operational and strategic change through people. A passion for student success and the value and importance of the College sector is essential to become a successful and valued member of Loyalist's committed collegial team.
