Part-time Professor Summary:

A teaching professional who combines an interest in teaching on a part-time basis with current and relevant industry experience will welcome this opportunity to join our faculty team. Reporting to the Dean of the School of Business, the part-time professor will facilitate the delivery of a course in Statistics incorporating a variety of teaching, learning and assessment strategies which are designed to successfully meet the needs of learners.

Professor Responsibilities:

- Ensures that program and course curricula are current, relevant and reflective of best practices within the relevant professional/program disciplines
- Creates an effective environment for learning which accommodates students' diverse cultural and educational backgrounds, experiences, and individual learning styles
- Develops and implements course learning outcomes and alternative delivery strategies, ensuring that they support and reflect program goals
- Assures that students are aware of all relevant learning outcomes, learning strategies and assessment techniques
- Assesses student achievement of learning outcomes and supports student progress through individual tutoring, academic counselling and timely feedback
- Develops multi-media materials and alternative delivery strategies, and incorporates appropriate educational technologies into the learning process
- Assists in the recruitment of placement and job opportunities for students
- Engages in ongoing faculty development opportunities and completes all related compliance requirements
- Liaises effectively with internal and external partners to create and maintain a collaborative and relevant learning environment

Qualifications:

- Minimum degree from a recognized institution in a related field of study
- Teaching experience in post-secondary institution
- Excellent grounding in best practice and emerging, knowledge, skills and attitudes in the field
- A proven commitment to achieving and developing excellence in others
- A commitment to life-long learning in the field
- A proven ability to work within a collaborative environment, demonstrating flexibility
- Exceptional communication and organizational skills
- Computer literacy and a demonstrated willingness to acquire and use learning tools (such as Loyalist's "Blackboard" System) commensurate with departmental requirements
- Demonstrated effective interpersonal and problem-solving skills, conflict and stress management, and resiliency
- Experience developing, delivering and evaluating appropriate curriculum is an asset
- Significant experience facilitating learning at the secondary or post-secondary/adult level demonstrating a commitment to excellence in teaching and learning is an asset

TO APPLY: Applications **must** be submitted **quoting the competition job title and program in the email subject line**. Please send a covering letter and a resume in MS Word or PDF format to:
