**The attached vote proposal has the vote taking place over 13 days starting Monday, January 12, 2009 and continuing for a further 12 business days until Wednesday, January 28, 2009.**

**OPSEU recognizes that the Board does not have infinite resources and the vote proposal is designed to be run by two teams of three Board officers except Day 3, 4 and 13 will require additional Board officers.**

**SEE ATTACHED VOTE PROPOSAL**

**The Union also proposes that an employee be able to vote at any poll location. For example it may be more convenient for a part-time employee who lives in Hamilton but works in Toronto to vote at Mohawk College.**

### SCHEDULE A

#### **OPSEU is an “employee organization” within the meaning of the CCBA**

1. The *Colleges Collective Bargaining Act, 2008* (the "Act") definition of “employee organization” means a trade union within the meaning of the *Labour Relations Act, 1995*.
2. OPSEU currently represents two bargaining units under the CCBA, a full-time and partial load academic bargaining unit and a full-time support bargaining unit. OPSEU has done so continually since the Act was first passed into law in 1975.
3. There can also be no doubt that OPSEU is a "trade union" pursuant to the *Labour Relations Act, 1995* and therefore is an “employee organization” within the meaning of the CCBA and as such has status to bring this Application for Certification.

#### **Procedural issues and submissions**

4. The OLRB has established *Rules of Procedure* which cover all proceedings before the Board.
5. Rule 1.1 states that “These Rules apply to all cases before the Ontario Labour Relations Board”.
6. Rule 1.2 states that “Where matters are not covered by these Rules, the practice will be decided in a similar way, or in a way the Board or Registrar considers advisable”.
7. OPSEU submits that the Board’s *Rules of Procedure* apply to this Application for Certification on the basis of either Rule 1.1 or Rule 1.2.
8. Rule 9 covers applications for certification. OPSEU submits that Rule 9 applies to this Application for Certification and has attempted to ensure that its Application meets the requirements of the *Rules* in terms of the use of Board forms, service and filing requirements, posting requirements etc. The parties have reached a number of agreements with respect to service, material served and times for filing. A copy of the letter is attached.
9. For example, OPSEU has submitted its membership evidence and other documentation relating to the membership evidence in accordance with Rule 9.1.
10. OPSEU has also delivered this Application to counsel to the employer and to the College Compensation and Appointments Council (the “Council”). Counsel for OPSEU and Counsel for the Council have agreed to deliver these documents (and any other documents) by electronic mail where possible. Please see the letter to Mr. Parker and the letter to Mr. Kenny accompanying this Application.

## Form A-1

### Other Vote and Related Issues

11. As stated in the Application itself in relation to OPSEU's Vote Proposal, it has attempted to strike a balance between accessibility and efficiency. OPSEU's vote proposal assumes that the Board can devote two teams of three Board officers full time for the 13 day voting period. Day 3, 4 and 13 will require additional Board Officers.
12. Subsection 30(4) of the *Act* states that the Board shall hold the representation vote in a timely manner. Subsection 30(5) of the *Act* states that the Board shall ensure that the vote is held during a time period when the persons eligible to participate in the vote are substantially representative of persons likely to be substantially affected by the result of the representation vote.
13. OPSEU requests that the vote begin on Monday, January 12, 2009. Classes will have begun the week before and most of the persons eligible to vote as of the application date will be back at work before the voting period.
14. OPSEU reserves the right to make further submissions based on the employer's vote proposal.
15. In the same spirit, OPSEU requests the Board do the following with regard to the vote:
  - (a) Clearly indicate that employees can vote at any vote location in the Province regardless of whether they work at that College or location. This will allow employees who live near one College but work at another College to vote where it is most convenient for that employee. There would have to be a province wide voter's list and the ballots would have to be segregated for this to work.
  - (b) Clearly indicate on the postings and notices that any employee who believes that they are a part-time or sessional academic employee be entitled to vote.
  - (c) Clearly indicate that if a part-time academic employee works at more than one College but in the same unit, that they are only permitted to vote once. For example, there are many employees that teach part-time at two or more colleges.

### Bilingual Notices and ballots

16. College Boreal and La Cite College are French language colleges. Therefore there will need to be notices in French posted at those Colleges. In addition, the ballots will either need to be in French for those colleges or printed generally for all Colleges in both official languages.

## Form A-1

17. It would also be appropriate for the Board Officers assigned to polls at those Colleges to be bilingual.

### Other Matters

18. OPSEU reserves the right to make further submissions on any aspect of this Application and in particular after receiving the Responses of the Council or the Colleges.
