

Entry Requirements

What you need to study at IT Sligo:

How & When to Apply

Colleges Ontario Advanced Diploma and Diploma graduates seeking advanced entry into IT Sligo undergraduate degree programmes should supply the following to the IT Sligo International Office, on or before 1st June for September entry in the same calendar year:

- Copy of Passport or Drivers Licence.
- Certified High School transcripts.
- Certified Colleges Ontario Advanced Diploma OR Diploma results transcripts with a minimum GPA of 2.4 (minimum GPA of 3.0 for merit entry scholarship applicants).
- Letter of recommendation from a Colleges Ontario academic supervisor (for merit entry scholarship applicants only).
- Personal statement letter (for merit entry scholarship applicants only).
- Evidence of English language proficiency (minimum of IELTS of 5.5 or equivalent) for applicants, for whom English is not their first language.

All of the above information should be emailed directly to the IT Sligo International Office on or before 1st June.

Why IT Sligo?

Why IT Sligo is the best choice for you:

1. Canadian study abroad citizens do not need a visa to enter Ireland.
2. Colleges Ontario Advanced Diploma & Diploma graduates can complete an internationally recognised Honours Bachelor Degree at IT Sligo via 1 or 2 years further study at IT Sligo (with or without bridging or alignment studies).
3. Tuition is reduced from €9,000 to €7,500 per annum (C\$ 10,500) for Colleges Ontario graduates (inclusive of medical insurance and airport pick-up).
4. IT Sligo also offers a limited number of merit entry tuition fee scholarships amounting to €1,500 each (C\$ 2,100) to qualifying Colleges Ontario applicants.
5. IT Sligo is OSAP Aid & Canadian Revenue Agency (CRA) approved.
6. IT Sligo is located on an ultra-modern campus in a vibrant student town in the north west of Ireland, accessible by road and rail links to and from Dublin whilst Ireland West Airport (Knock) is less than 40 minutes away by car / bus.
7. Vibrant and diverse international student community of more than 45 different nationalities.
8. Affordable high quality student accommodation (€90 per week including utilities) within a 5 minute walk from the campus.
9. Students are also permitted to work part-time up to 20 hours per week during term time and up to 40 hours per week outside term time.
10. Honours Bachelor Degree graduates can stay on and work for a further period of 1 year in Ireland.

- Human Nutrition

International Foundation Certificate

Progression at IT Sligo

We offer Colleges Ontario graduates a broad choice of Bachelor or Honours Bachelor Degree completion opportunities across our three Schools of Business & Social Sciences, Engineering and Science. Bachelor Degrees are 3-year programmes and Honours Bachelor Degree programmes are 4-year programmes.

Generally speaking Colleges Ontario Advanced Diploma graduates can complete an Honours Bachelor Degree with one further year of full-time study (with or without

bridging or alignment studies), whilst Diploma graduates can complete either a Bachelor Degree with one further year of full-time study OR an Honours Bachelor Degree with two further years of study (with or without bridging or alignment studies).

An Honours Bachelor Degree from Ireland is internationally recognised under the Bologna Agreement and is equivalent to an Honours Bachelor Degree in North America. Both typically take four years to achieve.
