------------------------	-----------------------------

This estimate is only a guideline and does not include any money for returning home or visiting other parts of Canada. This estimate will permit an adequate but far from luxurious standard of living. Your first month will be expensive because of settling-in costs such as paying an extra month's rent as a damage deposit and purchasing warm clothing, textbooks and supplies.

School fees are subject to change without notice. Living expenses are estimates only and will vary from person to person, season to season.
