

2018 2019

STUDENT RESOURCE HANDBOOK

LOOK BOOK

Located on more than 200 acres in the beautiful Bay of Quinte region and perfectly positioned between Toronto, Ottawa and Montreal, Loyalist is a destination for students seeking a friendly, inclusive and accessible College. Our number one priority is supporting your success personally and professionally.

WELCOME TO LOYALIST

Our in-class programs are designed to prepare you for the workforce with hands-on learning led by industry experts in small classes and with related field placements. We also offer hundreds of online and distance courses through loyalistfocus.com. Created with the same outcome-based philosophy as our daytime programs, these courses allow you to work towards a wide range of credentials at your own pace and time.

Whether you plan to work after graduation or build on your credentials with a second diploma or university degree, Loyalist offers high-quality transferable credits through more than 70 university agreements across Canada and beyond. Loyalist also recognizes credits from other colleges and universities, enabling you to complete your studies at Loyalist and gain real-world experiences and valuable employer connections.

To find out how we put you to work, visit loyalistcollege.com to watch program videos, read graduate testimonials and news stories, view photo albums and find out more about our superior student services.

The year 2017 marks an important milestone in the evolution of our College. As we celebrate the 50th Anniversary of Loyalist, and the Ontario college system, we are reflecting on the start of something amazing!

SOCIAL MEDIA

Ask questions, meet fellow students, share and explore photos and videos and get updates from the College. We're waiting to connect with you!

LOYALIST CARES ABOUT THE ENVIRONMENT

That's why this publication is printed on paper certified by the Forest Stewardship Council – an independent organization established to promote the responsible management of the world's forests.

LEARNING CENTRES

01

DIGITAL MEDIA CENTRE

This 10,000-square-foot integrated newsroom features video editing suites, a television studio, interview booths, audio production booths and meeting rooms. It's used by several programs in the School of Media, Arts + Design to create content for QNet News, an award-winning online community news service with coverage throughout the Bay of Quinte region, and for the award-winning Pioneer publication. Content is generated across multiple platforms – from radio and television to print and online. Students are on the cutting edge of experiential learning as they gather and distribute high-quality news and information within an ever-changing media landscape.

THE BAY OF QUINTE SKILLS CENTRE

Demand for workers in the skilled trades keeps building. That's why Loyalist prepares its graduates to meet that need with ultra-modern facilities and hands-on training using the latest technology. Our newly-equipped Biosciences labs and skilled trades workshops are part of our 121,800-square-foot LEED® Silver certified The Bay of Quinte Skills Centre. The Centre also includes the Link Lounge, which features quiet glass-enclosed study pods, a laptop counter, a sunken lounge and a vertical garden stretching across one of its walls! The 25-foot self-sufficient living wall features more than 30 plants that create a bio-filter system to improve the Lounge's air quality.

02

UPGRADED HUMAN SIMULATION LAB

The renovated third floor of the Northumberland Wing in the Kente Building is where students and faculty from Health Sciences, Human Studies and other disciplines collaborate on innovative programming, projects and applied research. Updated in 2017, this experiential learning space boasts a Human Simulation Lab where students in the Developmental Services Worker, Personal Support Worker, Practical Nursing and Collaborative Nursing Degree programs use the latest virtual simulation technology, including 3D virtual learning, to participate in realistic, interactive practice scenarios.

THE MAUREN PIERCY STUDENT ACCESS LAB (SAL)

The SAL is available to all students to research, work and print assignments. It features PC and Mac computers, colour printing and scanning, program-specific software, bring-your-own technology areas, wireless access and a help desk.

- (01) Programs combine in-class learning with hands-on training and rewarding placement opportunities.
- (02) Loyalist offers state-of-the-art learning facilities, such as the Digital Media Centre, Belleville campus.
- (03) Access a variety of resources both on campus and online.

03

THE PARROTT CENTRE – LIBRARY RESOURCES

The Parrott Centre is pleased to provide Loyalist students, staff and faculty with an abundance of resources, including books, eBooks, journals, streaming video and online journal databases. The library's electronic collections are available 24/7 wherever Internet access exists. In-house services include research assistance, interlibrary loans, computers, printing and photocopying, space for group and individual study, two group study rooms on our accessible mezzanine level, and a staff of friendly information experts to help navigate it all.

STUDENT SUCCESS

College provides an exciting opportunity to meet new people and learn new things. It can also be a little overwhelming. In fact, most students take up to a semester to really settle in and feel comfortable.

01

To ensure that you have a successful experience at Loyalist, we invite you to access the many services available to you in The Hub, located above The Maureen Piercy Student Access Lab (SAL):

- Mentoring and Advising Services
- Academic Tutoring Services
- Academic Testing Services
- Healthy Living/Counselling Services
- Indigenous Resource Centre
- AccessAbility Services
- International Centre

Please contact us at studentsuccess@loyalistc.on.ca or at 613-969-1913, ext. 2519.

02

- (01) Student Success offers a variety of services, accessible both on campus and online.
- (02) Students have access to PC and Mac computers and various technology services on campus.
- (03) Tutoring and mentoring services are available through Student Success.

03

COMMUNITY EMPLOYMENT SERVICES

Loyalist College Community Employment Services (CES) delivers Employment Ontario programs and services in the Belleville and Bancroft areas. Specialized help for individuals to attain their employment goals extends to a diverse population, including persons with disabilities, youth, students and newcomers to Canada. Whether clients need support to identify a career; to learn job search techniques; to build an effective résumé and cover letter; to practise interview skills; or to access training funding to increase their marketability, CES can help.

Visit loyalistces.ca.

INDIGENOUS RESOURCE CENTRE

Committed to supporting Indigenous students on campus, the well-equipped Centre acts as a liaison between College administration, Indigenous communities and government agencies. It provides pre-admission counselling, new student orientation, student academic counselling, peer tutoring, mentor referral, and special Indigenous Students' Circle activities and events.

eLAB AT LOYALIST

If you are considering an online diploma or certificate program, Loyalist offers dedicated computer classrooms in Belleville and Bancroft areas where you can work at your own pace, on your own time. In our eLabs, staff are available to support your learning through Student Success, Financial Aid Office and The Career Centre. Meet other distance studies students and enjoy access to College facilities.

To inquire, contact elab@loyalstc.on.ca.

For Bancroft campus inquiries, contact elabbancroft@loyalstc.on.ca.

LOYALIST TRAINING & KNOWLEDGE CENTRE

Loyalist Training and Knowledge Centre (LTKC), a Corporate Training Division of Loyalist College, offers practical, hands-on workplace learning and performance solutions that enable organizations to meet their specific business goals and objectives. They have hundreds of courses available at loyalisttraining.com and they can work with organizations to customize programs to suit their requirements. Programs can be delivered on site at a facility or within classrooms at Loyalist College. LTKC also offers employment testing, coaching and consulting services. For further information, call 613-969-1913, ext. 2294 or email ltk@loyalistc.on.ca.

ON CAMPUS

THE CAREER CENTRE

It's common for students to balance their studies with a part-time job to help pay their way or earn a little pocket money. Our friendly staff at The Career Centre can help you find employment in the community or on campus. You can also drop in and speak to staff for career and education advice, seek help with your résumé or cover letter, and get information on how to best market yourself to future employers. Visit loyalistcareercentre.ca for job postings.

LOYALIST MENTORSHIP PROGRAM

This cross-disciplinary program links current students and recent Loyalist graduates with alumni and industry professionals who can offer guidance on how to succeed in their studies and the job market. The initiative uses Ten Thousand Coffees' online platform to connect students and alumni.

BOOKSTORE

Open year round to Loyalist students and the public, the Loyalist College Bookstore has shelves stocked full of textbooks, school supplies, trade books, software, clothing and giftware. You can also order online at loyalistshop.ca.

ALUMNI SERVICES

After graduation, we will keep you in the loop with a monthly Alumni e-newsletter and our biannual Lasting Connections magazine. The Loyalist Alumni Association provides graduates with many benefits, services and opportunities to volunteer, keep in touch with friends and former classmates, and network.

WHERE TO EAT

We have five dining locations on campus with options to suit every taste and budget. Purchase a meal plan or pay as you go. Save 13 percent on all your meals with a tax-free meal plan, starting as low as \$550. Meal plan members also receive exclusive deals. Use your meal plan at Tim Hortons, Pioneer Café, Residence Café, Subway and Kente Café. Try Miso stir-fry or fresh home-style entrées from the Chef's Table. Visit loyalist.campusdish.com for more information on meal plans. Taste what Culinary students are cooking! Resto 213 offers a gourmet menu curated by our Culinary students at very reasonable prices. Looking for market fare? The Loyalist Market, just across from Resto 213, sells gourmet fresh and frozen take-out. Visit resto213.com for more information.

STUDENT HEALTH CENTRE

Our registered nurse is on staff at the Health Centre, Monday to Friday, 8:30 am to 4:30 pm, and a physician is on campus as needed. All information and visits are strictly confidential.

- (01) Student Government enriches the on-campus student experience with a range of events.
- (02) A variety of dining options is available on campus.
- (03) The Shark Tank is a fun space to unwind, meet with friends, and shoot some pool between classes.

STUDENT GOVERNMENT

01

02

Loyalist's Student Government enriches the lives of students with a variety of programs and services, welcoming facilities and amazing social and recreational events. We're here for you – academically, socially and personally.

03

GET INVOLVED

Visit loyalistlife.com to learn about on-campus employment, clubs and the many ways you can get involved.

SUSTAINABLE LOYALIST

Lend a hand with green projects by visiting loyalistcollege.com/sustainability.

STUDENT CENTRE

- Daytime and evening events
- Dining and study area
- Lounge space
- Tim Hortons
- Pool tables
- Big-screen movies
- Outdoor patio

Check out photos and upcoming events at loyalistlife.com.

ATHLETICS

Our reputation for sports is recognized both provincially and nationally – led by some of the top collegiate coaches in the province who bring a valuable mix of integrity and honesty to our students. There’s no better way to build lifelong friendships than being on a team.

01

VARSITY ATHLETICS

Loyalist Lancers compete to win in the Ontario Colleges Athletic Association (OCAA)-regulated sporting events held across the province. The OCAA is recognized as one of the toughest sporting forums in the country. Here’s our line-up for the upcoming season:

- Men’s and Women’s Basketball
- Men’s and Women’s Rugby
- Men’s and Women’s Cross Country
- Women’s Soccer
- Men’s and Women’s Volleyball

02

03

(01) The Loyalist Lancers men's varsity basketball team plays a home game in Loyalist's gymnasium.

(02) Experience being part of a team and have fun with participation in one of Loyalist's varsity or recreational sports teams.

(03) The Loyalist Lancers women's varsity soccer team plays a game off campus at a neighbouring college.

ATHLETIC FACILITIES

- Full-sized, well-equipped gymnasium with glass basketball backboards, Spieth Anderson volleyball standards and more.
- Fitness Centre with Life Fitness cardiovascular conditioning and resistance machines, Hammer Strength racks with Hampton bars and plates and Ivanko dumbbells and barbells – everything you need to stay in shape!
- Two soccer fields, one with lighting.
- Six Chevron cushion coated tennis courts.
- Baseball diamond.
- Volleyball courts on beach sand.
- Outdoor sports pad with lighting for ball hockey, basketball, volleyball and more.
- Sports Dome – a 35,000 sq. ft. indoor sports facility featuring a driving range.
- Disc golf course.

OUTDOOR ADVENTURES

Discover the beauty of the natural environment around the Quinte region, Ontario and beyond while challenging yourself and developing skills in canoeing, downhill skiing, camping, high ropes, caving, hiking and more.

CAMPUS RECREATIONAL PROGRAMS

We offer more than 20 fun-oriented recreational programs on and around campus – a forum to be active with groups and make friends. We have ice hockey, ball hockey, basketball, softball, soccer, volleyball, slacklining, flag football, badminton and many more co-ed activities.

COMMUNITY

THE BAY OF QUINTE REGION

Loyalist is located right between Belleville and Quinte West with beautiful Prince Edward County just to the south. Whether it's big city living or small town charm you enjoy, you'll find your place here within three of the province's most scenic waterfront regions.

01

02

(01) Belleville's downtown and business areas are a short drive or bus ride from main campus.

(02/03) The Bay of Quinte is a tourist hotspot, renowned for its natural beauty and scenic waterfront.
Image credit: Bay of Quinte

03

EXPLORING THE OUTDOORS

Everything from extreme water sports to leisurely walks and bike rides across the countryside are possible in this picturesque geographical region. Sandbanks Provincial Park in Prince Edward County is the world's largest freshwater sandbar and dunes system – one of Ontario's most beautiful beaches! If you like fishing, the area hosts the world's largest walleye fishing tournament, with more than \$200,000 in prizes! During the winter months, try snowmobiling, tobogganing or outdoor skating. Batawa Ski Hill is just a short drive from Loyalist for those who are into downhill winter sports.

Indoor activities happen on a regular basis at Belleville's newly expanded Quinte Sports & Wellness Centre. It boasts four NHL-sized skating rinks, three pools, an indoor track and hundreds of fitness and recreational programs.

DINE OUT

Restaurants cook up a wide range of international and gourmet dining options to treat your palate. Try Thai on Tuesdays or French on Fridays. Enjoy Greek, Italian, Vietnamese, Chinese, Indian, Himalayan, Korean, Japanese, Mexican and more. Pizza delivery is available too, for those lazy-ish nights in.

If you enjoy farm fresh food, you're in luck! The region features an abundance of open-air farmers' markets in Belleville's Market Square and roadside stands scattered across Prince Edward County.

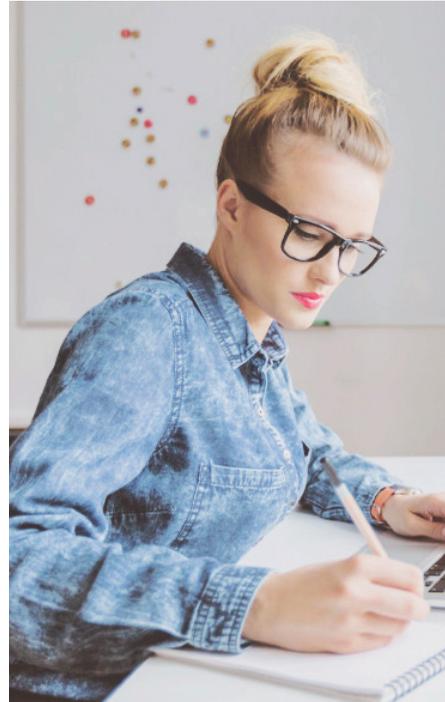

HOW TO APPLY

APPLICATION PROCESS

For information on the application process, please visit loyalistcollege.com and view the page of the program to which you would like to apply. The process varies depending on the program credential and modality/delivery.

Visit ontariocolleges.ca to apply to full-time in-class Ontario College diploma and certificate programs. Your application allows you up to five program choices, with no more than three at any one college. To register for distance studies and continuing education courses, programs and certificates, visit loyalistfocus.com.

If you are at another college or university and would like to switch to Loyalist, or you would like to transfer from Loyalist to university, or vice-versa, visit ONTransfer.ca, or contact the Loyalist College transfer office at transfer@loyalistic.on.ca.

01

02

(01/02/03) For information on the application process and admission requirements, visit loyalistcollege.com. If you have any questions, please contact us at 613-969-1913, ext. 2100.

03

ADMISSIONS DECISIONS

Applicants can expect a written decision (offer of admission, offer of admission with conditions, waitlisted or alternate offer of admission) in the mail. If you wish, you can request a verbal explanation from Loyalist Enrolment Services.

TRANSFER CREDITS

Transfer credits from other post-secondary institutions will be assessed on an individual basis. Applicants with training from other institutions should share this documentation with Loyalist when they apply.

MATURE APPLICANTS

A mature applicant is someone who meets all of the following criteria:

- Is at least 19 years old on the first day of classes in the year of admission.
- Does not have an OSSD or equivalent.
- Is a Canadian citizen or permanent resident.

EQUIVALENT CANADIAN STANDARDS

In order to be considered for admission to Loyalist, applicants must provide proof of academic standing equivalent to a Grade 12 Ontario Secondary School Diploma (OSSD). Applicants from outside Ontario – including international applicants – must submit certified transcripts of their grades. Applicants whose first language is not English must provide documented proficiency in English (see [page 20](#)).

DOUBLE DIPLOMAS

Double diplomas are pairings of related programs that allow a graduate of a diploma program to complete a second diploma in only one additional calendar year. For detailed information and minimum requirements, contact the program coordinator of the second program.

ACADEMICS

01

OUR FACULTY MAKES THE DIFFERENCE

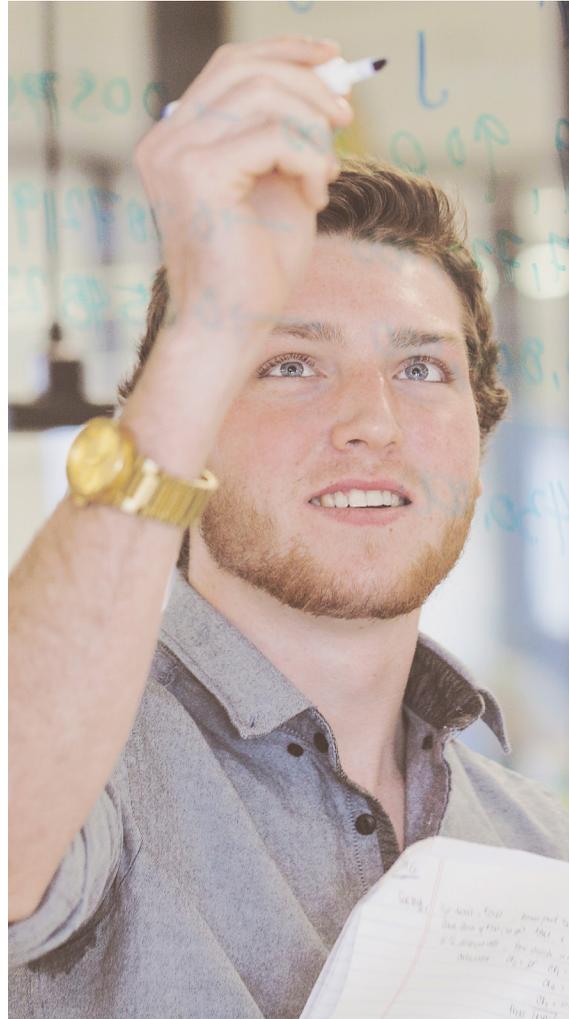

At Loyalist, learning goes beyond the classroom. Enrich your education with field trips, trade shows, job placements, guest speakers and fun-filled community events where real-world experience awaits. Our students have had unforgettable experiences – from working with the Ottawa Senators Hockey Club and writing for the Montreal Gazette to cooking with Chef Michael Stadtländer at the world renowned Eigensinn Farm. Some of our programs offer the opportunity to gain invaluable learning through trips to Portugal, Paris, New York City, Florida and beyond. Our faculty cares about your professional development and will do all they can to help you succeed.

PRIOR LEARNING ASSESSMENT AND RECOGNITION (PLAR)

At Loyalist, we respect learning that happens outside the classroom – whether it's through work experience, volunteering, self-taught skills or other non-credentialed learning. You may be eligible to receive graded credits or challenge certain course requirements. Work one-on-one with an advisor to evaluate your learning: plar@loyalstc.on.ca.

CHALLENGE PROCESS AND PORTFOLIO ASSESSMENT FEE

Students who apply to challenge a course through portfolio, examination, demonstration or other acceptable method, will be charged a nonrefundable fee.

02

(01/02) Learn in a friendly, caring environment from dedicated faculty committed to your success and with easy access to learning supports.

TRANSFER AGREEMENTS

Many universities and colleges will provide credit recognition for your diploma studies at Loyalist:

- Loyalist has more than 70 transfer agreements with post-secondary institutions across Canada and abroad.
- Gain university admission and/or credit for college study.
- Complete your degree in a shorter period of time, with less expense.
- Program-specific opportunities are listed for each full-time program under 'Programs and Courses' at loyalistcollege.com.
- In addition, many other institutions will provide credit for your diploma studies, or consider a one-year certificate towards admission; contact the post-secondary institution of your choice to make individual arrangements.

To help you explore transferring credits between Ontario's colleges and universities, please visit ONTransfer.ca, or contact the Loyalist College transfer office at transfer@loyalistc.on.ca.

ADVANCED STANDING

Do you already have a diploma or degree? If so, you could be eligible to earn a diploma in as little as one year. Check out Loyalist's accelerated, fast-track and direct entry options offered in many programs.

CREDENTIAL CATEGORIES

Baccalaureate Degree

6 – 8 semesters | 90 – 120 credits (or equivalent)

Broad knowledge and conceptual sophistication, including specialized knowledge in at least one field or discipline.

Ontario College Graduate Certificate

2 semesters | 600 – 700 hours

In-depth knowledge and skills in a specific applied occupational area.

Ontario College Advanced Diploma

6 semesters | 1,800 – 2,100 hours

In-depth knowledge and skills in a broad applied occupational area.

Ontario College Diploma

4 semesters | 1,200 – 1,400 hours

Broad knowledge and skills in a broad applied occupational area.

Ontario College Certificate

2 semesters | 600 – 700 hours

Programs provide a level of skills, knowledge and attitudes to allow graduates to perform in a defined range of varied activities within a prescribed range of functions involving known routines and procedures. Programs also engage students in some learning in disciplines outside their main field of study.

Loyalist College Certificate

240 – 500 hours

Programs provide a level of skills, knowledge and attitudes to allow graduates to work in a limited range of activities within a prescribed range of functions.

RESIDENCE

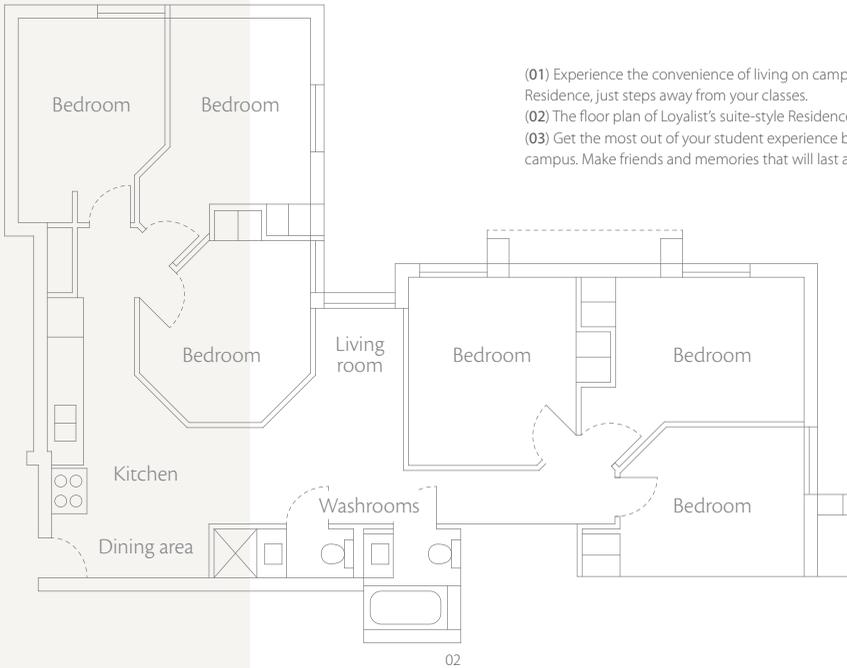

01

Peacefully nestled in a cozy wooded country setting on campus, our Residences are your comfy home away from the hustle and bustle of student life. With enough space for 476 students, Loyalist has five suite-style Residence buildings. We also have 104 spots in four fully furnished townhouse buildings.

HERE'S WHAT YOU'LL FIND IN OUR SUITE STYLE RESIDENCES

- Each suite has six individual bedrooms, two bathrooms, a kitchen and a common living area.
- Students have their own private, carpeted bedroom with a window, furnished with a bed, desk, bookshelf, dresser, corkboard and night table.
- Kitchen and dining areas are equipped with a fridge, stove, microwave, dishwasher, dining table, chairs, loveseat and a coffee table.
- Barrier-free units are available in three buildings.
- Residences are equipped with laundry facilities.
- A centrally located Residence Centre has a computer lab, a coffee shop, a lounge area with a limestone fireplace and a sunken living room with a big-screen TV.

- (01) Experience the convenience of living on campus in Residence, just steps away from your classes.
- (02) The floor plan of Loyalist's suite-style Residences.
- (03) Get the most out of your student experience by living on campus. Make friends and memories that will last a lifetime.

02

03

RESIDENCE FEES (2017/18)

Suite-Style Residence: \$5,850*
(eight months, two semesters)

Townhouse Residence: \$6,585* plus utilities
(10-month lease, July through April)

TRANSPORTATION

Loyalist is connected to the City of Belleville by a dedicated bus route operated by Belleville Transit (BT). You can catch a bus right outside the College and Residence.

PARKING FEES (2017/2018)

Parking permits are available for purchase at loyalistcollege.com.

Annual permit:	\$165* (incl. HST)
Semester permit:	\$125* (incl. HST)
Monthly permit:	\$70* (incl. HST)
Daily flat rate:	\$5* (incl. HST)

*Subject to change

FINANCIALS

01

FUNDING OPTIONS

Loyalist provides more than a million dollars each year through awards, bursaries, scholarships and on-campus employment initiative opportunities to help students succeed. Thanks to the friendly staff in our Financial Aid office, you will have access to a wide range of funding options, and tips on how to apply and remain on budget through the school year.

An awards directory is available online at loyalistcollege.com. For further information on these opportunities, or for help applying, email awards@loyalisc.on.ca.

SECOND CAREER

The Second Career program offers unemployed or underemployed workers the opportunity to retrain for high-demand occupations in the local labour market. Training can be short term or long term, based on your employment goals. Recently laid-off workers can be active EI claimants, EI reach-back or non-EI eligible. The Second Career program has proven to be very successful in providing an opportunity for displaced workers to pursue training for a new career.

OSAP

Ontario residents who are Canadian citizens, permanent residents or protected individuals may qualify for Ontario Student Assistance Program (OSAP), which offers two kinds of funds:

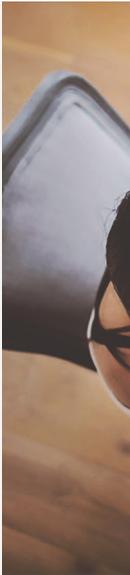

- Grants: money you don't have to pay back.
- A student loan you need to repay.

Both the Ontario government and federal government provide this money. There are various loan and grant programs for:

- Full-time students (60%+ of a full course load; 40%+ if you have a permanent disability).
- Part-time students (between 20 – 59% of a full course load).

To confirm whether OSAP funding applies to a particular program, please visit the program web page online. There is no fee to apply for OSAP. Apply online at ontario.ca/osap.

Out-of-province students should apply for financial assistance within their home province. Staff in our Financial Aid office will be pleased to assist you. Call them at 613-969-1913, ext. 2425.

FULL-TIME STUDENT

To qualify as a full-time student, your course load must represent at least 70 percent of the hours or two-thirds of the courses required for the semester of the program in which you are enrolled.

STUDENT FEES (2017–18)

The following tuition and mandatory Ancillary Fees apply to domestic full-time day students for a standard two-semester program for fall intake. Rates are adjusted for part-time students and for winter/spring and summer intake. Fees are subject to change.

	Year one	Year two	Year three
Tuition	\$2,936.46	\$2,908.90	\$2,893.52
Full-Time Ancillary Fees*	\$1,226	\$1,226	\$1,226
Total	\$4,162.46	\$4,134.90	\$4,119.52

No additional taxes. Programs that are less than or greater than two semesters in length, or offered through a different delivery option, have different costs. For example:

Practical Nursing Tuition: \$4,300.62 (Year one) and \$5,981.94 (Year two - three semesters), plus \$1,226 in Ancillary Fees for year one and \$1,401 in Ancillary Fees for year two.

Collaborative Nursing Degree Tuition: \$6,482.14 (Year one) and \$6,420.24 (Year two), plus \$1,226 in Ancillary Fees per year.

Part-Time/Distance Fees: Visit loyalistfocus.com.

For costs of programs and courses offered through distance studies, including online and correspondence, visit loyalistfocus.com.

* For a list of the many services, activities and items included within the Ancillary Fees, and the related policies, please visit loyalistcollege.com/tuition-and-fees.

ADDITIONAL PROGRAM COSTS

The College levies Additional Program Costs for items such as equipment, learning materials, co-op work terms and clothing retained by the student, along with material used in the production of items that become the property of the student.

02

(01/02) If you have any questions about paying for College, please contact our Financial Aid office at 613-969-1913, ext. 2425.

INTERNATIONAL STUDENTS

01

HOW TO APPLY

International students may apply directly to the College. Please visit loyalistcollege.com/international for detailed admission requirements.

2017-18 INTERNATIONAL STUDENT FEES*

Applicants who applied for a student visa may pay the following fees for regular full-time post-secondary programs (two semesters per year). Fees related to programs that are less than or greater than two semesters in length will be adjusted accordingly. Please note that a minimum payment equivalent to one semester is required prior to classes beginning. However, we encourage students to pay for the entire academic year in one transfer. Costs related to textbooks, instruments and supplies vary from \$500 to \$2,500 per year, depending on the program. Most of these items are available through the College Bookstore.

	Two Semesters	One Semester
Tuition	\$13,000	\$6,500
Full-Time Ancillary Fees	\$1,226	\$628
Health Insurance (mandatory)	\$600	\$600
Total	\$14,826	\$7,728

*Fees are subject to change.

02

(01) Loyalist's International Centre ensures that students new to Canada have a smooth and successful transition to College.

(02) Loyalist's diverse community includes international students from an ever-growing number of countries around the world.

INTERNATIONAL CENTRE

Our International Centre is here to help you settle into your new home at Loyalist College – socially, academically and culturally. We have a variety of fun welcome programs and offer assistance with housing and health insurance.

International students and students who are new to Canada are valued members of the Loyalist community. To find out more about the International Centre, please call 613-969-1913, ext. 2146 or 1-888-569-2547.

LANGUAGE REQUIREMENTS

All teaching within the College is conducted in English. In order to be successful in a program, communication, listening comprehension, reading and writing skills must be at a level sufficient to meet the demands of post-secondary studies. All applicants to Loyalist whose first language is not English, or whose previous education was in another language, will be expected to provide an English proficiency assessment for admissions.

English Language Proficiency Test	English for Academic Purposes (EAPC)	Certificate/Diploma Programs/Post-Graduate
TOEFL (Test of English as a Foreign Language) toefl.org	173 (computer-based test) 65 (Internet-based test)	550 (paper-based test) 213 (computer-based test) 79 with Writing, Reading, and Speaking minimums of 19 (iBT Internet-based test)
IELTS (International English Language Test Service) ielts.org	5.0 overall	6.0 overall with a minimum score of 5.5 in each section
CAEL (Canadian Academic English Language Assessment) cael.ca		Overall band of 60

LOOK BOOK CHANGES

Programs and courses announced in this Look Book represent the best information available at the time of printing. The College reserves the right to change, without notice, any information contained in this Look Book. The publication of information in this Look Book does not bind the College to the provision of courses, programs, schedules, services or facilities as listed herein. The College will not be liable for any loss or damage suffered or incurred by any student, prospective student, or third party as a result of any interruption in, change to, or cancellation of, any academic activities as set forth in this Look Book and on the College website (loyalistcollege.com) and related information.

PROTECTION OF PERSONAL INFORMATION

The College may collect and maintain personal information from students and prospective students for the purposes of communicating with them about programs, applications, admissions and awards; maintaining statistical data on applications; registering students for courses; delivering academic and administrative services; and Student Government initiatives and activities. Personal information in the student record is protected in compliance with the Ontario Freedom of Information and Protection of Privacy Act and the College's privacy policies.

DISCLOSURE OF PERSONAL INFORMATION TO STATISTICS CANADA

Institutions collect and provide to Statistics Canada student identification information, student contact information, student demographic characteristics, enrolment information, previous education and labour force activity. The Federal Statistics Act provides the legal authority for Statistics Canada to obtain access to personal information held by educational institutions. The information may be used only for statistical purposes, and the confidentiality provisions of the Statistics Act prevent the information from being released in any way that would identify a student. Further information on the use of this information can be obtained from Statistics Canada's website at statcan.gc.ca.

LET'S CONNECT

JOIN US FOR OPEN HOUSE

Wed., October 4, 2017

9 am – 12 pm

Sat., November 18, 2017

10 am – 1 pm

Sat., April 14, 2018

10 am – 1 pm

- Meet and speak with faculty and students, and learn about our programs.
- Tour campus, including Residence, and visit program-specific labs and facilities.
- Find out about our full range of Student Success services.
- Explore funding options and financial assistance.

CAMPUS LOCATIONS

BELLEVILLE CAMPUS
376 Wallbridge-Loyalist Road
Belleville, Ontario K8N 5B9

BANCROFT CAMPUS
195 Hastings Street North
Bancroft, Ontario K0L 1C0

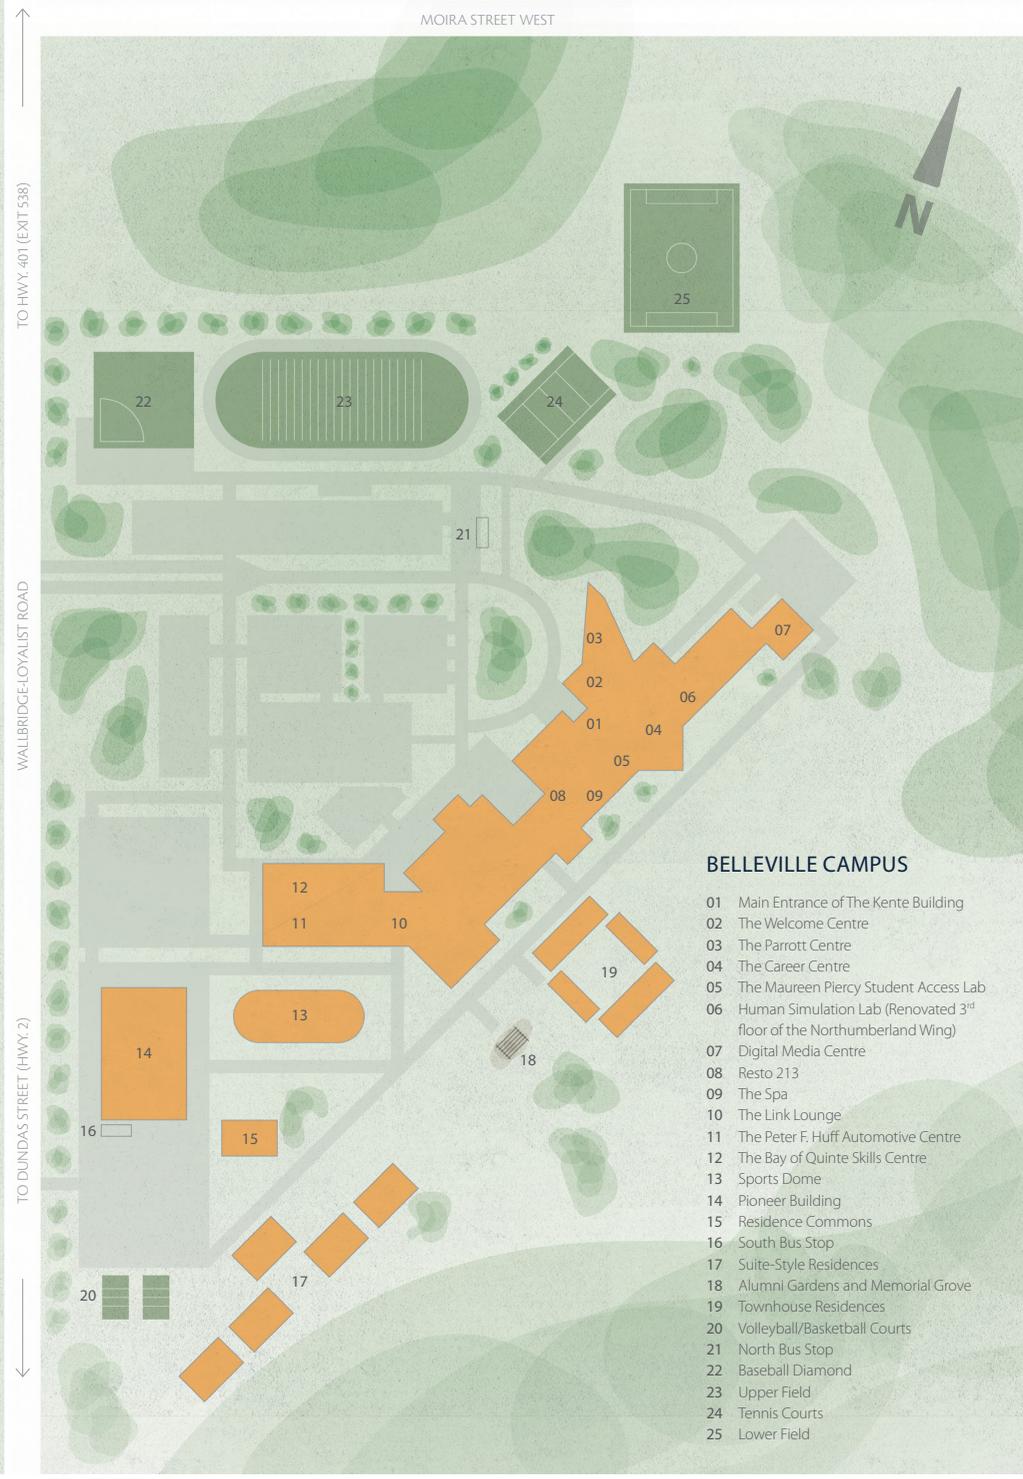

PORT HOPE CAMPUS
36 Walton Street
Port Hope, Ontario L1A 1N1

DRIVING DIRECTIONS

To Belleville Campus
Take HWY. 401 to Wallbridge-Loyalist Road (Exit 538). Follow Wallbridge-Loyalist Road South past Moira Street West. Campus entrance will be on your left.

To Bancroft Campus
Take HWY. 401 to HWY 62 North (Exit 543B). Follow HWY. 62 North past Snow Road. Campus entrance will be on your right.

To Port Hope Campus
Take HWY. 401 to Country Road 28/Ontario Street (Exit 464). Follow Country Road 28 South. Turn right on Walton Street. Campus will be on your right.

POST-SECONDARY &
POST-GRADUATE

POST-SECONDARY & POST-GRADUATE PROGRAMS

PROGRAMS

**2018—
2019—**

Come feel the difference of learning in a close-knit College environment. At Loyalist, you'll receive support from faculty and staff who really care that you're getting the most out of your College experience – academically, socially and personally.

As you explore our more than 65 full-time, in-class diploma, advanced diploma, certificate and collaborative degree programs, consider your many career options. Please check loyalistcollege.com regularly for new program offerings, and visit loyalistfocus.com to learn about online and distance studies.

HANDS-ON LEARNING

Our in-class programs are designed to prepare you for the workforce with hands-on learning led by industry experts in small classes and with related field placements. To find out how we provide you with the industry-focused skills and knowledge you need to succeed in the workplace, visit loyalistcollege.com; watch program videos, read graduate testimonials and news stories, view photo albums and find out more about our superior student services.

OUR FACULTY MAKES THE DIFFERENCE

Our faculty cares about your professional development and will do all they can to assist you during your time here. At Loyalist, you'll receive individual attention in small classes from teachers who are committed to your success. With extensive experience, our faculty members have insight into the latest trends, technologies and business practices. They can open doors to valuable workplace connections, industry events, local and international placement opportunities – and quite possibly, to your next job.

LOYALIST CARES ABOUT THE ENVIRONMENT

That's why this publication is printed on paper certified by the Forest Stewardship Council – an independent organization established to promote the responsible management of the world's forests.

43	How To Apply

(01) Loyalist is a destination for students seeking a friendly, inclusive and accessible College. (02) The Link Lounge at Loyalist College offers a quiet space to study.

BIOSCIENCES

01

02

(01) Put knowledge into practice with lab work in Loyalist's The Bay of Quinte Skills Centre.
(02) Learn in a hands-on lab environment with faculty who are committed to your success.
(03/04) Develop real-world skills with intensive project-based learning.

03

04

Biotechnology

Two-year Ontario College Diploma (BIOT)/

Three-year Ontario College Advanced Diploma (BIT3)

Biotechnology plays a critical role in the battles against hunger, disease and pollution. It is used in developing precision medicines and gene therapies, environmental decontamination to restore polluted spaces and engineering crops to improve their yield and nutrition.

HOW YOU'LL LEARN

- Hands-on learning in state-of-the-art instrumentation and molecular biology labs combines classroom theory and practical, lab-based instruction.
- Get experience with a wide variety of instrumentation used in genetics, microbiology, fermentation and forensics.
- **Biotechnology Advanced:** The third year focuses on intensive, laboratory-based instruction and project-based learning in molecular biology, microbiology, analytical instrumentation, tissue culture and cutting-edge extraction technologies.

Learn more: loyalistcollege.com/biot

Chemical Engineering Technician/Technologist

Two-year Ontario College Diploma (CHEM)/

Three-year Ontario College Advanced Diploma (CHE3)

Chemical engineering technicians and technologists are at the heart of many growing fields, from leading-edge research around alternative fuels to protecting the safety of our food and water supply. Prepare for an exciting career working in high-tech labs with real-world results.

HOW YOU'LL LEARN

- Understand the principles and techniques of organic and analytical chemistry, chemical engineering and industrial processes.
- Gain applied skills with chemical instrumentation, extraction technology, health and safety, and microbiology techniques. Apply theory to practice with problem-based assignments.
- Graduates are prepared to carry out experiments, analyze and interpret data, manage lab operations, assess analytical methods and develop new techniques.

Learn more: loyalistcollege.com/chem

01

Radiation Safety

One-year Ontario College Certificate (RADS)

This program prepares participants to monitor and control radiation exposure and to implement safety measures. Radiation safety technicians and specialists work together with physicists, occupational safety and health specialists and public health officials in various nuclear, health-care and natural environments.

HOW YOU'LL LEARN

- Cover such topics as radiation physics, environmental radioactivity, radiological instrumentation, radioactive waste management and control, decontamination procedures, and radioactivity testing and analysis. Note: This program is delivered off campus in the College's Port Hope location.

Learn more: loyalistcollege.com/rads

Horticulture Technician Apprenticeship

Apprenticeship Completion Certificate (HTAP)

A horticultural technician works with plants and has knowledge and skills in ornamental horticulture and plant health care. Using tools and machinery, this person installs, grows and maintains indoor and outdoor plants; builds urban and rural landscapes; maintains outdoor properties; cares for turf grass and golf courses; and installs and maintains irrigation systems. The fundamentals of grounds keeping, including safe snow and ice removal as well as sustainable agriculture practices and green technologies, are also introduced.

HOW YOU'LL LEARN

- 'Earn while you learn' with 720 hours of in-school training and 5,400 hours of on-the-job training. Levels 1 and 2 available.
- For more information and to register, employers and qualified employees can visit horticulturetechnician.ca or contact the Landscape Ontario Apprenticeship Team at apprenticeship@landscapeontario.ca.

Learn more: loyalistcollege.com/htap

02

(01) Horticultural technicians maintain, care and build landscapes that respect the natural environment. (02) Radiation safety professionals monitor and survey radiation exposure in various environments. (03) ENVR student Liz on the job in her role as water/wastewater technician.

03

Environmental Technician/Technologist

Two-year Ontario College Diploma (ENVR/

Three-year Ontario College Advanced Diploma (ENV3)

We share one planet. Bioremediation techniques can restore contaminated environments and reclaim them for farmland, wildlife habitats and the earth's increasing population. Choose a career where you can make an impact.

HOW YOU'LL LEARN

- Through extensive fieldwork, sample natural environments and analyze environmental contaminants.
- Get hands-on experience in leading-edge environmental facilities, including well-equipped field biology and instrumentation labs.
- Understand the underlying social systems that contribute to pollutants in water, soil and air, and learn to apply current legislation under the Environmental Protection Act.

Learn more: loyalistcollege.com/envr

HEALTH SCIENCES

01

Nursing Collaborative Degree with Brock University

Four-year Bachelor of Science in Nursing (NURS)

Registered Nurses choose many career directions, from making split-second decisions in the ER, to preventing illness through community health promotion. Meet new challenges every day in this personally and financially rewarding profession.

HOW YOU'LL LEARN

- Spend the first two years at Loyalist and the final two years at Brock University to graduate with a B.Sc.N. awarded by Brock.
- Learn in small clinical groups with personal, continuous guidance from experienced faculty.
- Intensive, hands-on practice in our state-of-the-art Human Simulation Lab begins in the first semester. Conduct real-life practice scenarios with high-fidelity human clinical simulators.
- Develop competence and confidence in a safe, realistic learning environment.

Learn more: loyalistcollege.com/nurs

02

03

(01) NURS students acquire clinical skills through simulated experiences in the Human Simulation Lab. (02) Pre-Health Sciences students conduct a food biochemistry lab. (03) PNUR students gain hands-on skills during a community blood pressure clinic.

Pre-Health Sciences

One-year Ontario College Certificate (PRED/PREC)

Pre-Health Sciences Pathway to Advanced Diplomas and Degrees (PRED) is for students planning to enter a three-year advanced diploma program or four-year degree program.

Pre-Health Sciences Pathway to Certificates and Diplomas (PREC) is for students planning to enter a two-year diploma program, including Practical Nursing, Paramedic and other two-year health diploma programs.

HOW YOU'LL LEARN

- Learning combines laboratory studies, classroom instruction and outdoor lab exercises.
- A common first semester, including six required courses, permits all students to explore skills and options. Individual meetings with the program coordinator prior to the second semester will help students decide which pathway best suits them and their career goals.

Learn more: loyalistcollege.com/preh

Practical Nursing

Two-year Ontario College Diploma (PNUR/PNUJ)

Practical Nurses are integral members of a health-care team, providing care to patients of all ages. They combine nursing skills, knowledge and judgment to provide a full range of nursing care within their scope of practice.

HOW YOU'LL LEARN

- Learn in small clinical and lab groups with intensive personal instruction.
- Participate in virtual simulation with realistic, interactive practice scenarios in our cutting-edge Human Simulation Lab.
- Develop skills during a community-based blood pressure clinic.
- Gain a variety of clinical nursing skills in medicine, surgery, paediatrics/obstetrics, continuing complex care and mental health.

Learn more: loyalistcollege.com/pnur

The Pre-Health Sciences Pathway programs are stepping stones to a career in nursing, practical nursing, paramedicine, dental health, ultrasound or radiation technology. If you're considering a health program in college or university, these certificates can enhance your qualifications for admission and boost your success in future studies.

Personal Support Worker

One-year Ontario College Certificate (PSWP)

The demand for personal support workers is greater than ever and keeps growing in order to meet the needs of a retiring population. Make a difference every day by helping people live with independence and dignity.

HOW YOU'LL LEARN

- Learn to effectively support clients in their day-to-day activities, emphasizing trust, respect and individual choice. Combining theory, laboratory practice and clinical placement, students apply what they've learned in a real-life setting.
- In small clinical and lab groups, under the guidance of experienced faculty, practise monitoring and recording changes to clients' conditions in Loyalist's Human Simulation Lab with manikins simulating realistic scenarios. Also, learn and practise skills in a virtual learning environment (VLE) as an avatar.
- Learn from guest speakers about a wide variety of topics pertinent to supporting residents in long-term care and clients in their own homes.

This program is also offered at the Bancroft campus (alternate delivery & outreach locations). For more information, see page 42 or visit loyalistcollege.com/pswp.

Learn more: loyalistcollege.com/pswp

Paramedic

Two-year Ontario College Diploma (PMED)

HOW YOU'LL LEARN

- Prepare to respond to emergencies and provide life support measures in simulated and clinical placement situations ranging from urgent to emergent care situations.
- Learn to administer care in a variety of environments associated with paramedicine, in the field or in a moving ambulance. Learn to drive an ambulance through simulated technology as well as actual, supervised road time.
- **Belleville campus** offers a traditional Monday through Friday delivery model taught by experienced faculty and utilizing Loyalist's state-of-the-art, interprofessional simulation centres. Enhance your learning and engage in 'real-life' clinical situations with a variety of technology solutions.

For more information about the Bancroft campus Paramedic program (alternate delivery), see page 41.

Learn more: loyalistcollege.com/pmed

- (01) Through hands-on learning, PSW students explore personal care support.
- (02) Paramedics, like Loyalist grad Kathryn, help save lives during crisis situations.
- (03) RALS students experience exciting outdoor and adventure-based activities.
- (04) FAHP grad Rhea was hired at a fitness centre.

01

02

Paramedics are often the first people on the scene of an emergency. They balance compassion with critical decision-making skills and the ability to take command in a crisis and help save lives. The paramedic program is offered at Loyalist's Bancroft and Belleville campuses.

03

04

Recreation & Sport Services

Two-year Ontario College Diploma (RALS)

HOW YOU'LL LEARN

- Engage in outdoor recreation activities such as stand-up paddle boarding, canoeing, slacklining and skiing. Pursue opportunities to complete aquatic and outdoor recreation qualifications.
- Work directly with children and youth with a variety of exceptionalities and abilities within an adaptive recreation setting.
- Prepare for self-employment through an independent research project. Design an original program or business that can be showcased to employers and investors upon graduation.
- Gain important public relations, marketing, financial, and research and proposal writing skills.

Note: Upon successful program completion, students will receive the Recreation and Leisure Services diploma credential.

Learn more: loyalistcollege.com/ral

Fitness & Health Promotion

Two-year Ontario College Diploma (FAHP)

More and more, people are looking to make the most of their exercise experiences with workouts that get results and are engaging and fun. Qualified fitness and health professionals help people lead better, longer lives through healthy, active lifestyles.

HOW YOU'LL LEARN

- Develop confidence and expertise in designing and implementing fitness programs for both individuals and groups. Learn to accurately assess health and fitness levels, evaluate progress, and develop exercise prescriptions tailored to meet the interests and lifestyle goals of every client.
- Train and teach in Loyalist's newly renovated on-campus Fitness Centre and program-dedicated fitness lab. Assist and develop programs for personal training clients at the College.
- Gain applied knowledge of anatomy and physiology, kinesiology, exercise prescription, nutrition, chronic disease prevention, and entrepreneurship and marketing.

Learn more: loyalistcollege.com/fahp

Our busy days are often highly scheduled, making it essential that quality wellness and recreation services are available within our community. Recreation and sport professionals help build healthy communities and develop programs for individuals of all ages.

BUILDING SCIENCES

01 02

Civil Engineering Technician/Technologist

Two-year Ontario College Diploma (CIVL)/Three-year Ontario College Advanced Diploma (CIV3)

By integrating science and engineering concepts with industry-specific technologies, civil engineering technicians and technologists assist in the monitoring and inspection of civil infrastructure projects. An education in civil engineering can offer many opportunities, leading to rewarding careers both in the office and out in the field, in areas such as structural design, municipal engineering, transportation construction and geotechnical engineering.

HOW YOU'LL LEARN

- Work with current versions of industry software including AutoCAD and AutoCAD Civil 3D.
- Gain skills in structural, municipal and highway design, drafting, materials testing, surveying, inspection, construction supervision and project estimating, to name a few.
- Graduates are eligible for certification with the Ontario Association of Certified Engineering Technicians and Technologists (OACETT).

Learn more: loyalistcollege.com/civil

Construction Engineering Technician

Two-year Ontario College Diploma (CONS)

Construction Engineering Technicians work in the construction industry with contractors, government building departments and engineers on a range of building construction projects. Learn how to integrate science and engineering concepts with industry-specific technologies to assist in the development and implementation of project goals in accordance with project plans, sustainability practices, and industry laws, codes and standards.

HOW YOU'LL LEARN

- Work with current versions of industry software including AutoCAD to create engineering drawings for land development applications and building engineering according to provincial and municipal standards.
- Gain hands-on experience in surveying, structural drafting, testing and inspection of construction materials, project supervision and estimating.
- Graduates are eligible for certification with the Ontario Association of Certified Engineering Technicians and Technologists (OACETT).

Learn more: loyalistcollege.com/cons

Survey Engineering Technician

Two-year Ontario College Diploma (SURV)

Loyalist College offers the only specialized program for survey technicians in Ontario. Using instruments and computer software, survey engineering technicians conduct field measurements and analyze data to determine the precise locations of natural features, structures and property boundaries. Survey technicians are in demand in many industries including construction, land development, government agencies, and mining and natural resource exploration.

HOW YOU'LL LEARN

- Gain extensive hands-on experience using current satellite positioning equipment (GPS), total stations and data collectors during practical survey projects in small groups.
- Using current versions of industry software including MicroSurvey, AutoCAD and AutoCAD Civil 3D, create a registered plan of a subdivision and engineering drawings for land development applications and highway design according to provincial and municipal standards.
- Graduates are eligible for certification with the Ontario Association of Certified Engineering Technicians and Technologists (OACETT).

Learn more: loyalistcollege.com/surv

03

04

(01/02) Building Sciences grads are in high demand, finding work both in the office and out in the field. (03) Prepare for a rewarding career in the construction industry. (04) Gain hands-on skills using industry standard equipment.

Carpentry & Renovation Techniques/Technician

One-year Ontario College Certificate (CARC)/

Two-year Ontario College Diploma (CARD)

There are career-building opportunities in this skilled trade for people who enjoy working with their hands and take pride in a job well done. Loyalist students practise green and sustainable building methods as they work through a major construction or renovation project.

HOW YOU'LL LEARN

- Practise your skills in carpentry and construction, including rough carpentry/framing, finish carpentry, base footings, insulation, vapour and air barriers, drywalling, window and door installation, interior and exterior finishes, fine finishing techniques, and roofing.
- Study and apply building codes, work from blueprints, produce basic sketches, develop building details, and create computer-assisted drawings using AutoCAD and SketchUP.
- Receive hands-on instruction in environmentally sound construction techniques, proper tool usage and job site safety. Second-year students develop advanced techniques in sustainable and alternative building, sustainable construction, green build and healthy homes.
- Obtain industry-required certificates such as Working at Heights and First Aid.

Learn more: loyalistcollege.com/carc

Indigenous Construction Renovation

16-week Certificate Program (ICRP)

HOW YOU'LL LEARN

- Get hands-on instruction and experience in construction techniques, proper tool usage, job site safety and environmentally sound construction principles.
- Learn to work from blueprints, produce basic sketches, and develop building details. Gain skills in carpentry, from base footings to framing, interior and exterior finishing, and fine finishing techniques.
- On-site learning is supported by classroom instruction in construction principles: interpret the Ontario Building Code; navigate local regulations and by-laws; and obtain industry-required certificates such as Working at Heights and First Aid.

Learn more: loyalistcollege.com/icrp

01

Gain hands-on experience in the construction renovation field, learning as you work on a project in the Tyendinaga community, in this Loyalist certificate program for Indigenous students. Tuition is free for those accepted into the program.

(01) Students gain hands-on carpentry and renovation experience building a core construction project.
 (02) Architectural Technology grad Katrine works on site at a building development. (03) ICRP students work on a construction project in the Tyendinaga community.

02

Architectural Technician/Technology

Two-year Ontario College Diploma (ARCH)/

Three-year Ontario College Advanced Diploma (ARC3)

From sustainable houses to sophisticated office buildings and community recreation centres, you can help design residential, commercial and institutional spaces that will shape our communities and the way people live.

HOW YOU'LL LEARN

- Learning combines studio work, classroom instruction, and the study of major construction and renovation projects – working independently and in teams.
- Develop skills in manual and computer-assisted design and drafting (CADD) and 3D modelling using the latest software in our state-of-the-art design studios.
- Design solutions that creatively address the use of space, costs, construction methods, zoning and the environment.

Learn more: loyalistcollege.com/arch

03

Residential Drafting & Design

One-year Ontario College Certificate (RDAD)

This hands-on introduction to residential design includes consideration of the environment, building codes and residential building design practices. It delivers marketable skills in under a year of study and prepares students for further study in the Architectural Technician/Technology program.

HOW YOU'LL LEARN

- Get a practical blend of classroom instruction and hands-on studio experience, developing marketable skills and knowledge in blueprint reading and drafting; residential building codes; computer-assisted drafting (AutoCAD); estimating materials and costs; and presenting your designs.
- Design a small building by creatively addressing the use of space, costs, code requirements and the environment.
- Showcase creativity and analytical skills to create a design and then bring your concepts to life with a 3D scale model.

Learn more: loyalistcollege.com/rdad

SKILLED TRADES

01

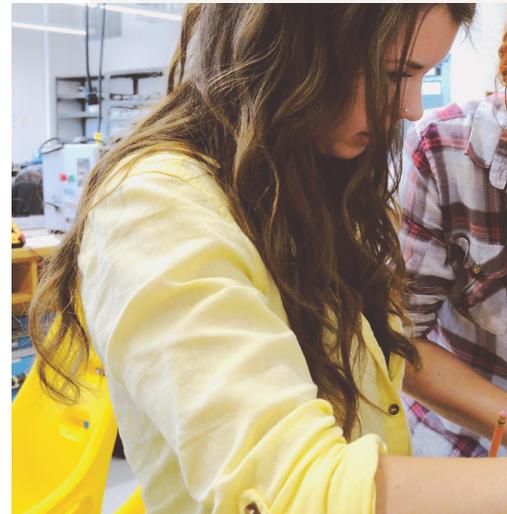

THE W. GARFIELD WESTON FOUNDATION

The W. Garfield Weston Foundation Fellowship provides tuition and bursary incentives to help Skilled Trades students and apprentices train for and succeed in this growing labour market. Fellowship recipients are encouraged to go beyond a one-year certificate and earn a diploma or complete apprenticeship training, maximizing their career opportunities. Recipients of the Fellowship become industry ambassadors through mentorship and professional development activities.

Prospective applicants must be considering registration in one of the following post-secondary programs:

- Automotive Service Technician Apprenticeship
- Carpentry and Renovation Techniques/Technician
- Electrical Engineering Techniques/Technician – Automation
- Manufacturing Engineering Technician
- Mechanical Techniques
- Motive Power Fundamentals – Parts and Counter Personnel/
- Motive Power Technician – Service and Management
- Welding Techniques/Welding and Fabrication Technician

For more information or to apply, please visit loyalistskills.com.

03

(01/02) Welding students practise various fabrication techniques and work with CNC technologies.
(03/04) A focus on industrial automation provides the foundation for an array of career options.

Welding Techniques/ Welding & Fabrication Technician

One-year Ontario College Certificate (WELT)/Two-year Ontario College Diploma (WELP)

The precision work of welders and fabricators holds up bridges and delivers miners safely underground. Gain skills in welding, fabrication, detailing and millwrighting that you can use across the country, from coast to coast, in virtually any industry.

HOW YOU'LL LEARN

- Follow projects from the engineering drawings stage, through cutting and forming processes, to the completion of the job and quality inspection.
- Create with new and evolving technologies such as CNC press brakes, CNC plasma cutting and 3D designing. Practise welding techniques such as gas metal arc welding, shielded metal arc welding and gas tungsten arc welding.
- Expand your theoretical and practical skill set, along with in-depth trade practices and job planning skills, in the two-year diploma program.

Learn more: loyalistcollege.com/welt

02

Electrical Engineering Techniques/Technician – Automation

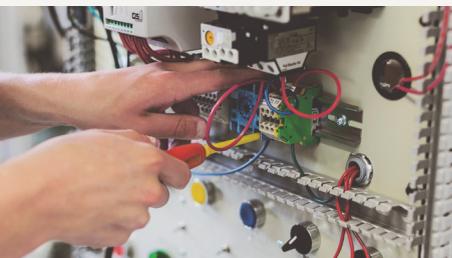

One-year Ontario College Certificate (ELTP)/Two-year Ontario College Diploma (ELTT)

As our dependence on electricity grows, so too does the demand for skilled electrical workers. Electrical Engineering Techniques students are introduced to electrical principles and building construction wiring while technician students advance into industrial automation and PLC programming, preparing for tomorrow's trends in next generation robotics.

HOW YOU'LL LEARN

- The first year provides a working understanding of electricity and electronics, as well as the fundamental skills needed in electrical construction and automation.
- Develop skills in electrical installation, motor control and the basics of industrial processes – including Programmable Logic Controllers (PLCs), fluid power and process control.
- A second year of study delivers skills required in installing, configuring, maintaining, servicing and calibrating industrial systems, including industrial robotic and production systems.

Learn more: loyalistcollege.com/eltp

04

Automotive Service Technician Apprenticeship

Apprenticeship Completion Certificate (AUTO)

The fast-paced, ever-changing automotive trade could be the perfect career for you. To become an apprentice, you must be registered with the Ministry of Advanced Education and Skills Development and work for an employer who accepts full responsibility for your instruction in all aspects of the trade. Your in-class learning is completed at Loyalist.

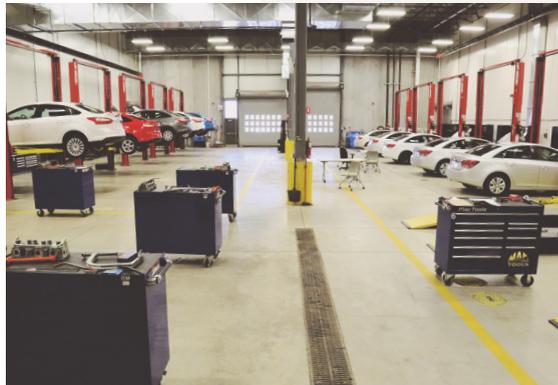

HOW YOU'LL LEARN

- Learn while you earn, with on-the-job training and education. Your apprenticeship requirements include completing a skill set book, 6,000 hours of on-the-job training and three levels of in-school training for a total of 720 hours.
- Attend three full-time blocks of training, each eight weeks long, or study at Loyalist one day per week to complete your three levels.
- Learning combines classroom instruction and practical theory labs – put your knowledge to the test in state-of-the-art service bays.

Learn more: loyalistcollege.com/auto

01

02

(01/02) Students get hands-on experiences in The Peter F. Huff Automotive Centre. (03/04) MECH students have the option to continue into year two of the MANU program, completing a diploma in one additional year.

Mechanical Techniques

One-year Ontario College Certificate (MECH)

HOW YOU'LL LEARN

- Hands-on shop work includes welding, machining and maintenance procedures.
- Use the latest in laser alignment technology, and explore design using AutoCAD and the interpretation of engineering drawings.
- Earn experience diagnosing and troubleshooting.
- Use leading-edge simulation software to design and demonstrate hydraulic circuits and electrical circuits.
- Loyalist's program uses many of the same curriculum standards as apprenticeship training for industrial mechanics (millwrights).

Learn more: loyalistcollege.com/mech

Get a well-rounded set of mechanical skills that prepare you for a career in maintenance or manufacturing and give you an edge when seeking a competitive apprenticeship.

04

Manufacturing Engineering Technician

Two-year Ontario College Diploma (MANU)

Employers seek skilled workers who will help them to compete globally. Prepare to be in demand with a powerful combination of mechanical and electrical control skills that you can apply in any manufacturing career.

HOW YOU'LL LEARN

- Create projects on the latest CNC lathes, milling machines and 3D printing equipment, as well as by using welding processes.
- Use state-of-the-art Programmable Logic Controllers (PLCs) to control electromechanical systems, and create pneumatic and hydraulic circuits based on common industrial processes.
- Design components using Autodesk Inventor, AutoCAD and CAD/CAM.
- Gain a deep understanding of machine and tool design, numerical control programming and statistical quality control.
- Students have the option to complete a co-op for the Spring semester.

Learn more: loyalistcollege.com/manu

03

Motive Power Fundamentals – Parts & Counter Personnel/ Motive Power Technician – Service & Management

One-year Ontario College Certificate (MPFP)/Two-year Ontario College Diploma (MPTN)

Train for a career in the fast-paced and ever-changing automotive field with expertise that can be applied to motive power trades such as heavy equipment, small engine, marine, power sport, truck and coach, and agricultural technician.

HOW YOU'LL LEARN

- Learn by doing in The Peter F. Huff Automotive Centre within The Bay of Quinte Skills Centre. Practise your skills on real vehicles and vehicle components in a safe learning environment.
- Gain practical knowledge of safe environmental practices and small business management.
- Selected parts of the course content mirrors that of the three levels of the Automotive Service Technician Apprenticeship program.

Learn more: loyalistcollege.com/mpfp

BUSINESS

01

Culinary Skills/Culinary Management

One-year Ontario College Certificate (CULS)/

Two-year Ontario College Diploma (CULM)

Being a top chef goes beyond loving food. It's about appreciating the soil and sunshine, how food is grown and what it takes to run a business. It means taking creative risks and constantly adapting. If this is the career of which you've been dreaming, start creating now in Loyalist's on-campus gourmet restaurant, Resto 213.

HOW YOU'LL LEARN

- Create and innovate under the guidance of distinguished chefs with a rich appreciation of farm-to-table cuisine. Earn first-hand experience in all aspects of culinary management – from hosting and service, food preparation, pricing and menu design, to developing marketing strategies.
- In addition to working in the kitchen and dining room of Resto 213, students operate the Loyalist Market, a retail outlet offering a variety of fresh and frozen products designed and created by Culinary students.
- Students participate in Guest Chef and County Winemaker dinners throughout the year, which provides exposure to different styles of cuisine and winemaking, as well as potential job connections.

Learn more: loyalistcollege.com/culs

02

Business Sales & Marketing

Two-year Ontario College Diploma (SALE)

People with sales and marketing expertise are revenue generators – making an impact on the bottom line, a talent that's in demand in virtually every sector. Apply your skills to a career in commerce, health care, IT, manufacturing, advertising, telecommunications or sports and entertainment.

HOW YOU'LL LEARN

- Classroom instruction uses a wide range of dynamic tools and techniques. Learn through case studies and competitive simulations; create and deliver executive-style presentations; and refine your rapport-building and selling techniques with role-playing exercises that are videotaped and critiqued.
- Gain experience with cutting-edge customer relationship management (CRM) software.
- Develop a professional portfolio, and prepare for success with simulated job interviews conducted by managers from the business community.

Learn more: loyalistcollege.com/sale

Business/Business Administration

Two-year Ontario College Diploma (BUSI)/

Three-year Ontario College Advanced Diploma (BUS3)

A business education is an opportunity – where you take it is up to you! Behind every product and service we enjoy, there's a business that relies on effective employees, practices and leadership. Business skills are needed in every industry, from aviation and food production to manufacturing and professional sports.

HOW YOU'LL LEARN

- Explore a broad mix of business options in this interactive program, including marketing strategy; financial decision making and supply chain management; presentation skills; corporate responsibility and sustainability; and how to develop a comprehensive business plan for your own business idea.
- Projects with community partners provide concrete, hands-on experience, working individually and in teams to overcome real-world challenges.

Learn more: loyalistcollege.com/busi

(01) Business Sales & Marketing students complete a negotiation simulation. (02) Culinary students operate Resto 213 and the Loyalist Market on campus. (03) BUSI students learn from experienced faculty who stay current with leading industry trends.

03

Accounting – UOIT BCOM Stream

Two-year Ontario College Diploma (ACCU)

Chartered Professional Accountants (CPA) are in demand in virtually every field including public accounting, industry, arts and entertainment, as well as the public and not-for-profit sectors. Develop the technical foundations in financial and managerial accounting, taxation, and more that you will need for a successful career as a professional accountant. In the University of Ontario Institute of Technology (UOIT) Bachelor of Commerce Stream program, you can earn a diploma and a Bachelor of Commerce degree in just four years.

HOW YOU'LL LEARN

- Earn five UOIT Accounting program credits during your two-year diploma studies at Loyalist, and gain direct entry to third-year degree studies at UOIT.
- Build on your studies at Loyalist with further study at UOIT in advanced auditing, financial and managerial accounting, auditing information systems, taxation, and financial statement analysis.
- Eligible students can apply to the Bachelor of Commerce Accounting major, which is aligned with CPA Ontario, for entry into the CPA Professional Education Program.

Learn more: loyalistcollege.com/accu

Accounting/ Accounting – Business Administration

Two-year Ontario College Diploma (ACCT)/

Three-year Ontario College Advanced Diploma (ACC3)

Accounting is more than filing taxes and bookkeeping. It's about understanding a business from the ground up and guiding it through sound financial practice. Every business has a numbers story. Whether it's in the fields of art, health, fashion, real estate or sports – the options are endless. Explore a career path that can take you virtually anywhere.

HOW YOU'LL LEARN

- This program delivers concrete, marketable skills with a dual focus on financial and management accounting. Develop managerial skills in budgeting, product costing and price setting, eliminating financial waste and finding operating efficiencies.
- Collaborate and formulate strategy in our simulated business competitions.
- Learn from case studies and guest speakers from the local business community.
- **Accounting – Business Administration:** A third year of study provides advanced knowledge of financial and management accounting, corporate taxation and audit techniques, focused on obtaining the Advanced Certificate in Accounting and Finance (ACAF).

Note: Upon successful completion, students will receive the Business – Accounting diploma credential (ACCT) or Business Administration – Accounting advanced diploma credential (ACC3).

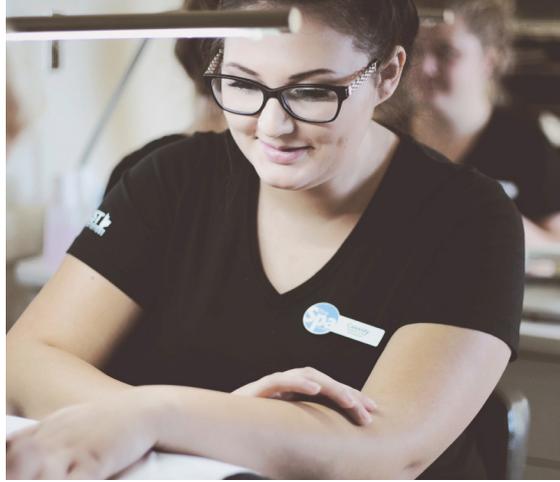

Learn more: loyalistcollege.com/acct

01

02

04

(01) Accounting students work collaboratively in simulated business competitions. (02) Accounting students hold an annual tax clinic on campus. (03) Esthetics graduate Breanne works as an esthetician and spa therapist at Ste. Anne's Spa. (04) Students gain hands-on experience running The Spa at Loyalist.

03

Esthetics & Spa Management

Two-year Ontario College Diploma (ESTH)

Spas and salons are increasingly popular destinations for people wanting to reduce stress and feel younger. Train in a full range of spa services to help people look and feel their best.

HOW YOU'LL LEARN

- In this hands-on program, students operate The Spa at Loyalist, a busy wellness retreat and retail boutique delivering full esthetic services in a supervised environment.
- Train in a full range of spa services in a safe learning environment, including manicures, pedicures, facials, hair removal, make-up artistry, aromatherapy and hot stone massage.
- Develop important skills in front desk management and the latest point-of-sale software.
- Learn the business side of spa management with instruction in visual display, retail sales, marketing, personal finance, business communications and entrepreneurship. In addition, create a business plan showcasing a variety of skills learned in the program.

HUMAN STUDIES

01

02

03

(01) ECEP graduate Jess works as an early years facilitator. (02/03) ECEP students explore inquiry and play-based learning techniques.

Early Childhood Education

Two-year Ontario College Diploma (ECEP)

The first five years of a child's life are critical to their future success – academically, economically and socially. Early childhood educators learn alongside children and play an important role in nurturing their thoughts and ideas. By guiding children through inquiry and play-based learning, they can make a difference that lasts a lifetime.

HOW YOU'LL LEARN

- Combining theory with practice, design and implement curriculum to meet the diverse learning needs of children at different stages.
- Learning emphasizes inclusive practices, partnerships with families, multiple intelligences and evidence-based practices.
- Get a range of experiences in community early learning programs for infants, toddlers, preschoolers and school-aged children.

Visit loyalistfocus.com for more information about the following options: Distance program (ECED), Child Development Practitioner Apprenticeship Certificate (ECEM)

Learn more: loyalistcollege.com/ecep

Social Service Worker

Two-year Ontario College Diploma (SSWP)/
Accelerated stream (SSWA)

Social Service Workers help individuals and families deal with broad and complex issues such as poverty, access to needed social supports, reduction of oppression and social prejudice, learning disabilities and educational challenges, mental health, addictions, abuse, illness and loss. This program will prepare you for the rewards and challenges of supporting people as they change and grow.

HOW YOU'LL LEARN

- Develop essential skills in human relations, interpersonal communication, needs assessment and critical thinking. Incorporate theory and practice with extensive group work.
- Practise interviewing and counselling skills in a soundproof lab with a two-way mirror for observation and feedback.
- As well as faculty instruction, the opportunity to learn from guest speakers working in probation and parole, crisis shelters, seniors' facilities, Ontario Works and other community agencies.
- **Accelerated stream:** Applicants with a related university degree and/or a diploma in Child and Youth Care, General Arts and Science with a social service focus, or Justice Studies, with 70 percent average or higher, are eligible to complete the program in three semesters.

Learn more: loyalistcollege.com/sswp

01

Child and Youth Care Practitioners work with children, youth and their families in a wide variety of settings. Train for a rewarding career helping young people by engaging with them in their everyday lives, building on their strengths and empowering them to make positive changes.

Child & Youth Care

Three-year Ontario College Advanced Diploma (CYWP)

HOW YOU'LL LEARN

- Develop knowledge, skills and a strong sense of self in varied learning environments both in and out of the classroom. Participate in authentic and relevant learning experiences and assessments that relate to the field.
- Practise delivering non-judgmental support, advocacy, therapeutic interventions, and individual and group counselling.
- Gain field-specific knowledge of mental health, child welfare legislation, therapeutic techniques, clinical documentation and child and adolescent development. Explore the impact of trauma and loss, diversity, abuse, violence and poverty.
- Loyalist graduates are eligible for professional certification with the Ontario Association of Child and Youth Care.

Learn more: loyalistcollege.com/cywp

03

02

(01) SSW students practise interview and counselling skills in a soundproof lab. (02) DSW graduates find rewarding careers helping people connect with their community. (03) Child & Youth Care student Andrew works on an art project with young children.

Developmental Services Worker

Two-year Ontario College Diploma (DSWP)/
Accelerated stream (DSWA)

HOW YOU'LL LEARN

- Learn to effectively support people with developmental disabilities, physical disabilities, autism, and people with a dual diagnosis. Develop hands-on skills that will help people grow, develop relationships, and actively participate in their community.
- Identify and connect people to community opportunities and resources, and collaborate with people with disabilities to overcome barriers and promote full inclusion.
- **Accelerated stream:** Applicants with a university degree or college diploma in a related discipline are eligible to complete the DSW diploma in three semesters.

Visit loyalistfocus.com for more information about the following options:
Distance program (DSWP), Apprenticeship Certificate (DSWM)

Learn more: loyalistcollege.com/dswp

As a Developmental Services Worker (DSW), you will assist people with disabilities to live as valued, contributing members of the community. By providing support and advocacy, you will work towards full inclusion for the betterment of the entire community. The program curriculum promotes individualized and inclusive approaches, reflective of innovative practices in the field.

MEDIA, ARTS + DESIGN

01

Journalism Joint Degree – Diploma Program With Trent University

Ontario College Advanced Diploma (JOPT)/
Bachelor of Arts in Journalism plus another discipline

Journalists help citizens understand the world and make informed decisions. Today, these stories are delivered across multiple platforms at lightning speed. This fully integrated program will help shape entrepreneurial journalists who are informed, critically aware and technically skilled.

HOW YOU'LL LEARN

- Divide your studies between Loyalist College in Belleville and Trent University in Peterborough to earn hands-on experience in the fundamentals of research, critical analysis, writing and reporting for a variety of media platforms, including digital news organizations, television, radio, newspapers and magazines.
- Build a foundation in critical and analytical thinking, ethical awareness and journalistic practice, while pursuing studies in your joint major area of interest, such as English, History, Media Studies, Environmental Studies, Politics or Psychology.
- Develop an integrated capstone project, meeting the requirements for a thesis or major project and an example of enterprise journalism. Graduate with a comprehensive portfolio.

Learn more: loyalistcollege.com/jopt

Journalism & Communications

Two-year Ontario College Accelerated Advanced Diploma (JOPB)

The face of journalism is changing as fast as new events occur, but good storytelling and solid research remain essential. Journalists must adapt to new means of delivering the news. Earn a competitive edge with reporting, writing and editing skills for online, television, radio and print within this ever-evolving industry.

HOW YOU'LL LEARN

- Develop hands-on skills in research, writing and interviewing in our all-platform newsroom.
- Use digital tools and apps for gathering and sharing stories, video, social media and interactive journalism.
- Create newscasts for the federally licensed College radio station, 91X, and publish original work for the student-produced community online news service, QNet News (qnetnews.ca).
- Work with a team of student reporters, ENG shooters, producers, anchors and editors to produce a web-based television newscast.

Note: Upon successful program completion, students will receive the Journalism – Online, Print and Broadcast advanced diploma credential.

Learn more: loyalistcollege.com/jopb

02

03

Radio Broadcasting

Two-year Ontario College Diploma (RADB)

HOW YOU'LL LEARN

- Get hands-on experience in a live, on-air environment, preparing you for actual broadcast conditions in the industry.
- First-year students operate Hot Hits, a radio station that streams online and is equipped with the latest automation system, production equipment and music scheduling software. Towards the end of their first year, students are ready to run 91X FM (CJLX-FM 91.3), a licensed, full-power campus-community College radio station serving the local region.
- Get experience in on-air performance, creative writing, audio production, sales, marketing, promotions, programming, and social media and web content development.

Note: Upon successful completion of the program, students will receive the Broadcasting – Radio diploma credential.

Learn more: loyalistcollege.com/radb

(01) Journalism students work in Loyalist's state-of-the-art Digital Media Centre. (02) Students gain first-hand industry experience in the Film & TV Production Studio. (03) From day one, RADB students get hands-on experience in an on-air environment.

Film & TV Production

Three-year Ontario College Advanced Diploma (TVNM)

This program will prepare you to create engaging content and deliver it through any medium. Earn a full spectrum of skills – ranging from television production and digital filmmaking to web streaming and interactive content creation. No BYOD costs. We provide digital camera, audio, lighting and grip equipment, as well as access to Mac and PC labs with relevant software to help you complete your work.

HOW YOU'LL LEARN

- Get well-rounded skills by performing all production and crew functions in studio, field and post-production environments. Specialize with crew rotations in your area of interest and choose specific roles in digital filmmaking, remote event production and content creation for clients.
- Produce creative, interactive content on multiple platforms, broadcasting across Canada and to the world.
- Write scripts in first year that are developed in the second and come to life on the big screen in the final year with a public screening.

Learn more: loyalistcollege.com/tvnm

A career in radio can take you from coast to coast. Get hands-on professional training at two College radio stations, and prepare for a variety of exciting opportunities on the air and behind the scenes.

Photojournalism

Two-year Ontario College Diploma (PHJN)/
Advanced standing – for applicants with
related diploma or degree (PHJF)

Loyalist offers Canada's only multi-year photojournalism program. Applicants from across the country come for the "triple threat skill set" of multimedia storytelling through digital photography, video capture and news and feature writing.

HOW YOU'LL LEARN

- Develop skills in reporting, writing, electronic publishing, camera operation and lighting. Learn advanced photojournalism techniques in digital photography, video capture and computer-based image processing.
- Gain a deep understanding of news judgment and the principles of storytelling.
- Get hands-on experience working for Loyalist's award-winning online community newspaper, the Pioneer, and photograph, report, write and edit assignments for the student-run online news service, QNet News.

Learn more: loyalistcollege.com/phjn

Media Experience

One-year Ontario College Certificate (MECP)

Not sure which career path to choose? Find the right fit before you commit. Sample a wide range of programs, including Animation, Journalism and Communications, Photojournalism, Radio Broadcasting, and Film and TV Production. Discover your strengths and new possibilities while developing practical skills you can apply to further studies at Loyalist or other post-secondary institutions.

HOW YOU'LL LEARN

- Get a hands-on, creative introduction to media by balancing your time between the lab and the classroom, working on a range of media-based projects.
- Gain practical experience in visual and oral storytelling, media writing and presentation. Work with cutting-edge technology in Loyalist's Digital Media Centre.
- Learn from industry guest speakers and faculty in various programs, and work directly with a faculty mentor in your program of choice.

Learn more: loyalistcollege.com/mecp

01

02

03

(01) Join 30 years of award-winning PHJN alumni working around the world. (02) MECP students host an interview in the 91X FM Production Studio. (03) Whether in the studio or outdoors, drawing is fundamental to the AADF program. (04) Animation students explore the use of a motion capture suit.

04

Animation

Three-year Ontario College Advanced Diploma (ANIM)

Animators make movies, bring video games to life and help build apps. In this program, students can specialize in character animation, 2D/3D animation, gaming, visual effects, computer graphics, web design or mobile applications.

HOW YOU'LL LEARN

- Gain a competitive edge in the job market with instruction in the entire range of the production process. Develop hands-on skills in our cutting-edge facilities featuring the latest workstations and editing systems; a motion capture system; and leading industry software including Maya, Unreal Engine 4 and the Adobe Master Suite.
- Tailor your studies in third year with independent production courses and a choice of streams in animation, visual effects or gaming.
- You will finish the program with professional practices and job search skills, as well as an impressive portfolio of work.

Learn more: loyalistcollege.com/anim

Art & Design Foundation offers a stimulating hands-on, studio-based curriculum in which aspiring artist and designers learn a broad range of art and design disciplines. Traditional skills in drawing, painting, printmaking and sculpture are covered as well as a range of digital techniques and computer-based software, all of which contribute to the development of a quality portfolio.

Art & Design Foundation

One-year Ontario College Certificate (AADF)

HOW YOU'LL LEARN

- Grow and connect professionally while learning hands-on in small classes. Further, earn valuable experience through professional workshops in a variety of art and design-related areas.
- Develop a broad-based portfolio that reflects flexible creative abilities, or build a targeted portfolio for further study.
- Design, curate and participate in an exhibition that brings together other Loyalist programs – an opportunity to gain recognition, enhance your portfolio and celebrate a dynamic creative learning environment.

Learn more: loyalistcollege.com/aadf

01

POLICE, JUSTICE & PUBLIC SAFETY

02

Customs Border Services

Two-year Ontario College Diploma (CUSB)

Customs compliance and border security have emerged as areas of national focus in public safety and global trade. Prepare for a career in this dynamic segment of the Canadian economy. Learn with leaders in virtual learning environments – Loyalist's border simulations have been used by the Canada Border Services Agency to train new recruits.

HOW YOU'LL LEARN

- Through experiential learning, develop essential skills in listening, observing, critical thinking, conflict management and decision making.
- Gain a deeper understanding of global diversity by developing your awareness and understanding of legislation and regulations.
- Practise searching for and identifying contraband during forensic vehicle searches. Further, experience the role of a border services officer in a virtual learning environment, completing the inspection procedure and questioning unknown travellers as you would in real life.

Learn more: loyalistcollege.com/cusb

03

(01) CUSB student conducts search of vehicle in the Forensic Search of Motor Vehicle course. (02) PSIN students practise gathering evidence at a crime scene. (03) PSIN students complete a surveillance assignment.

Protection, Security & Investigation

Two-year Ontario College Diploma (PSIN)

There has been such rapid growth in the fields of public and private safety and security that industry training can't keep up with the demand for qualified professionals. Extensive hands-on training and networking with industry professionals will prepare you for a wide range of careers in security, enforcement, investigations, inspection, risk assessment and emergency planning.

HOW YOU'LL LEARN

- Receive hands-on training in surveillance, arrest and restraint techniques, managing conflict, emergency planning and incident response to serious situations.
- Conduct your own crime scene investigation, gathering evidence, conducting interviews, taking statements, and sharpening your skills in critical thinking and problem solving.
- Prepare to secure the job you want with panel interviews, résumé writing, portfolio development and justice job testing.

Learn more: loyalistcollege.com/psin

01

02

Police Foundations

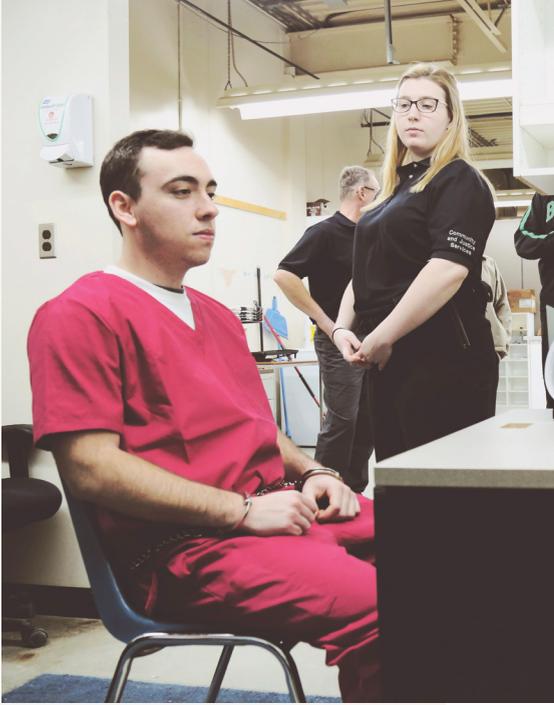

Two-year Ontario College Diploma (PFND)

HOW YOU'LL LEARN

- Practise interpreting and applying the law from class to courtroom. Participate in a mock trial in a real courtroom with real judges.
- Role-play different scenarios using uniforms and police training equipment.
- Learn to put personal safety and respect for victims into practice. Discover skills to improve your resiliency to stress, and develop essential career skills in ethical decision-making and conflict management.

Learn more: loyalistcollege.com/pfnd

Police officers make our communities a better place. They do this by preventing crime, enforcing laws and improving the quality of life for all. Loyalist's program prepares you to be a great candidate for police services. To help you get started and make connections, Loyalist Police Foundations provides eligible students with experience, observing police officers in action, at their side.

03

(01) 2014 PFND grad Samantha on the job as an auxiliary constable with the O.P.P. (02) PARA students practise court procedures during a moot trial. (03) CJSW students complete a role-play exercise.

Paralegal

Two-year Ontario College Diploma (PARA)

Many people are overwhelmed by the justice system and the cost of legal representation. Paralegals help their clients navigate through the process and answer key questions. Licensed paralegals can also represent their clients in court. The Law Society of Upper Canada accredits this program.

HOW YOU'LL LEARN

Students prepare for the full scope of practice of a licensed paralegal in Ontario through a blend of classroom instruction and practical experience that includes:

- Training in substantive law and legal procedures.
- An emphasis on ethical conduct and professional responsibilities.
- Preparing and presenting a case in court before a local judge during a moot trial in the Ontario Court of Justice or the Superior Court of Justice where each student is assigned the role of a legal representative.

Learn more: loyalistcollege.com/para

Community & Justice Services

Two-year Ontario College Diploma (CJSW)

Community and justice services professionals often work with clients who find themselves at a crossroads. They work within the justice system – focusing on keeping people out of it through prevention, intervention and rehabilitation. Help build stronger, safer communities by helping people at risk gain the skills and support they need to make positive life choices.

HOW YOU'LL LEARN

- This program adapts to emerging policies and best practices, preparing students for the workforce with practical, hands-on learning.
- Sharpen your assessment and communication skills during scenario-based role-plays, emphasizing personal safety and the protection of staff, clients and the community.
- Visit adult and youth detention facilities and earn a certificate in Non-Violent Crisis Intervention. Further, hear from guest speakers who share their real-life experiences, as well as professionals working in group homes, federal and provincial corrections and sexual assault centres.

Learn more: loyalistcollege.com/cjsw

GENERAL ARTS & SCIENCE

01

02

(01/02/03/04) General Arts & Science programs provide the foundation to succeed in further studies and in a wide range of careers. Electives create the opportunity to explore and navigate individual interests.

General Arts & Science

One-year Ontario College Certificate (GASC)/

Two-year Ontario College Diploma (GASP)

Not sure which career path to follow? Explore your options, and define your interests, opportunities and goals while earning college-level credits that you can apply towards another program or a university degree.

HOW YOU'LL LEARN

- Learn with a mix of group assignments, community projects, work experiences and online class activities.
- Work one-on-one with a faculty advisor to choose from a wide range of electives; explore opportunities, with options as wide-ranging as human biology, computer applications, psychology, technology and humanity.
- Some electives are available online or offer virtual learning experiences.
- **General Arts and Science (year two):** After one year of vocational exploration, prepare for university studies during year two with a liberal arts university-focused diploma.

Learn more: loyalistcollege.com/gasc

General Arts & Science – Workplace

One-year Ontario College Certificate (GASW)

This two-semester program offers math, science, business and communications enrichment, as well as various vocational elective courses. It allows students to broaden their knowledge while developing different career-specific skills.

HOW YOU'LL LEARN

- Get a well-rounded experience through a mix of group assignments and online class activities.
- Work with a faculty advisor each semester to customize your timetable.
- Career planning is available to help you navigate your interests, based on the following elective courses: Business Administration; Carpentry & Renovation Techniques/Technician; Developmental Services Worker; Esthetics & Spa Management; Film & TV Production; Fitness & Health Promotion; Journalism & Communications; Mechanical Techniques; Media Experience; and Recreation & Sport Services.

Learn more: loyalistcollege.com/gasw

03

04

COLLEGE SKILLS & CAREER PREP

(01) Career & College Prep is a springboard to a better job or further studies at college. (02) Upgrade your English language proficiency with the EAPC program. (03) CICE supports the development of vocational skills, preparing students for employment.

01

Career & College Prep

Academic & Career Entrance Certificate (Grade 12 equivalency) (CPRP)

Whether your goals are achieving employment, a College education or an apprenticeship – we can help you get there. You can improve on your English and Math skills, earn required English or Math credits, or achieve your Grade 12 equivalency. Let us help you get started on your journey. And it's free!

HOW YOU'LL LEARN

- This program is geared to meet each student's individual needs: learn at your own pace; study full-time, part-time or learn online; improve your skills in reading, writing, spelling, grammar, math and computers.
- Individually tailored programs can include academic upgrading, training readiness, career and personal development, and job-search skills. Teaching is based on practical knowledge and situations you can apply in your everyday life.
- We assess your personal learning style and teach workshops on how to make the most of your classroom time and how to succeed in school.

Learn more: loyalistcollege.com/cprp

English for Academic Purposes

One-year Ontario College Certificate (EAPC)

Prepare for a better job or further studies at college or university by upgrading your proficiency in English. Improve your everyday conversation, formal language skills, and TOEFL and IELTS scores, while earning credits towards further study.

HOW YOU'LL LEARN

- Develop confidence in your speaking and understanding during weekly classroom discussions. Also, practise pronunciation, grammar and listening skills in computer-based language labs.
- Get familiar with computers and the vocabulary of technology, and complete practical writing assignments with support from your professors.
- Gain a better understanding of Canadian culture through contemporary readings and group discussions.
- Successful completion of the program will help graduates achieve the following testing outcomes: IELTS 6.0; TOEFL 213 – 240 (computer-based); TOEFL 79 – 95 (Internet-based).

Learn more: loyalistcollege.com/eapc

Community Integration Through Co-operative Education

Two-year Ontario College Certificate (CICE)

The Community Integration Through Co-operative Education (CICE) program is designed for students with intellectual disabilities and other significant learning challenges who are interested in pursuing post-secondary education and experiencing College life. Through modified programming and field placement opportunities, this pathway program will help you develop skills that will prepare you to transition to volunteer or paid employment.

HOW YOU'LL LEARN

- Choose a program area of concentration at the onset of the program from the College calendar and take modified courses within that program each semester.
- Complete core programming that covers the following topics: numeracy; communications; job skills; computer skills; human relations; recreation; and emergency response skills.
- Participation in field placements will enable students to function more independently in their community as they transition to the workforce.

Learn more: loyalistcollege.com/cice

02

03

POST-GRADUATE

01

(01) Enhance your skills and take your learning to the next level with a post-graduate certificate. (02) 2016 SESM grad Brent is an Account Specialist of Premium Services with Oilers Entertainment Group. (03) HRPg students learn the skills needed to guide and support organizational success.

02

Sports & Entertainment Sales & Marketing

One-year Ontario College Graduate Certificate (SESM)

Those who dream of working in the sports and entertainment field need specialized business training to turn their passion into a career. In only four months, you will learn to make an impact on the bottom line. Then, demonstrate those skills on the job during a four-month placement.

HOW YOU'LL LEARN

- This intensive eight-month post-grad program is focused on opening doors to employment. Learning features intensive role-play scenarios, guest speakers, field trips and event planning.
- Learn how to expand the brand to build revenue through licensing and content creation. Develop transactional sales opportunities for sport, and create win-win activation opportunities for sponsors and partners.
- Create integrated marketing, media and public relations plans, and evaluate marketing initiatives against sales forecasting, budgeting, financial health and return on investment.

Learn more: loyalistcollege.com/sesm

03

Human Resources Management

One-year Ontario College Graduate Certificate (HRPG)

The greatest asset of any business is its people. Human resources professionals help guide organizations with sound practices – hiring the right people, training them to be effective and developing strategies to motivate and inspire. Loyalist grads meet the academic requirements to write the Comprehensive Knowledge Exam (CKE) and apply for the Certified Human Resources Professional (CHRP) designation.

HOW YOU'LL LEARN

- Learn to anticipate what's coming next in training and development, occupational health and safety, benefits and compensation, as well as work-life balance from expert faculty.
- Projects emphasize learning by doing, such as performing a health and safety audit for a real-world organization.
- Interaction with faculty and other post-grad students coming from university, college and workplace backgrounds helps prepare students to appreciate different perspectives.

Learn more: loyalistcollege.com/hrpg

01

(01) ESBL students present their launch-ready start-ups to an audience of prospective investors, customers, and potential business partners at the end of the program. (02) Public Relations training takes place both in the classroom and in workplace situations. (03) Supply chain specialists find careers in various organizations in both the private and public sectors.

02

Public Relations & Event Management

One-year Ontario College
Graduate Certificate (PURE)

Public relations and event management professionals are increasingly in demand as employers recognize the value of effective communications. A career in PR and event management is never dull! From one day to the next you could be pitching a story, holding a news conference, organizing an event or managing crisis communications.

HOW YOU'LL LEARN

- Enjoy a combination of project-based learning and hands-on experience that goes beyond the classroom: learn from guest speakers in the industry; develop a solid portfolio of relevant workplace skills; meet with industry professionals and PR agencies in Toronto; and stage a mock disaster during Crisis Communications Week.
- Write clear, targeted communications materials that deliver your message persuasively. Use new media, social media and graphics creation to promote your message.
- Build relationships with media and stakeholders, plan special events, market for corporate and non-profit, deliver compelling presentations, prepare for media interviews, and handle crisis situations.

Note: Upon successful completion of the program, students will receive the Public Relations post-graduate certificate.

Learn more: loyalistcollege.com/pure

Supply Chain Management – Global Logistics

One-year Ontario College Graduate Certificate (LOGS)

Before products hit the shelves, there's a lot of work that goes on behind the scenes – from purchasing materials and coordinating inventory to the distribution of finished goods. As global trade widens and deepens, demand continues to rise for skilled workers in the areas of supply chain logistics and international trade compliance.

HOW YOU'LL LEARN

- Gain an in-depth knowledge of supply chain management and customs compliance including risk management and the global movement of goods.
- Navigate international customs and business practices.
- Get applied knowledge of project management including planning and reporting, scheduling techniques, element interdependencies, and project costing and crashing. Also, explore consultative selling and marketing intelligence.

Learn more: loyalistcollege.com/logs

03

Entrepreneurial Studies – Business Launch

One-year Ontario College Graduate Certificate (ESBL)

HOW YOU'LL LEARN

- Beginning with a two-week start-up boot camp, move your ideas forward through flexible scheduling that fits your already busy life. Work in teams to nurture high-growth ideas or existing early-stage start-ups and be guided through the building process.
- Create and deliver executive-style presentations before an audience of prospective customers, employees and investors during industry showcase and pitch competitions.
- Participate in monthly educational 'pit stops,' providing tailored, rigorous training on strategic entrepreneurship issues. In addition, meet regularly with, and be mentored by, seasoned entrepreneurs and top industry executives.

Learn more: loyalistcollege.com/esbl

Apply the principles of entrepreneurship to develop a scalable, repeatable and successful business model with guidance from experienced faculty and a powerful network of expert advisors and community partners. Graduate with the skills to launch and grow your own start-up in less than a year.

BANCROFT CAMPUS

Paramedic

Two-year Ontario College Diploma (PMED)

Paramedics are often the first people on the scene of an emergency. They balance compassion with critical decision-making skills and the ability to take command in a crisis and help save lives.

HOW YOU'LL LEARN

- Prepare to respond to emergencies and provide life support measures in simulated and clinical placement situations ranging from urgent to emergent care situations.
- Learn to administer care in a variety of environments associated with paramedicine, in the field or in a moving ambulance. Learn to drive an ambulance through simulated technology as well as actual supervised road time.
- **Bancroft Campus (Alternate Delivery):** Loyalist is the only College in Ontario that offers a two-year Paramedic diploma through alternative delivery, including a combination of practical, clinical and classroom instruction. Classes are held at the Bancroft campus on alternate weekends (Saturdays and Sundays). Participate in live lectures through online delivery, weekday evenings and weekends on campus, and interact with professors and classmates from the comfort of your home.

For more information about Loyalist College's Belleville campus Paramedic program, see [page 07](#) or visit loyalistcollege.com/pmed.

Learn more: loyalistcollege.com/pmed

01

(01) PMED grad Damian on the job as a paramedic.
 (02) PSW students practise client care during a clinical placement.

Personal Support Worker – Bancroft & Outreach Locations

Ontario College Certificate (10 courses)

This program is designed to provide students with the knowledge, skills and attitudes necessary to provide personal care and home management services to clients in both community and institutional settings. Students provide supportive care to clients who are experiencing physical, cognitive, emotional and behavioural challenges.

UPCOMING PERSONAL SUPPORT WORKER LOCATIONS

Community	Start Date	End Date

Marmora	Mar. 20, 2018	Dec. 7, 2018
Barry's Bay	Mar. 27, 2018	Dec. 14, 2018
Napanee	Sept. 4, 2018	Jun. 7, 2019
Bancroft	Sept. 11, 2018	Jun. 14, 2019

Note: All programming is contingent on the number of registrants required to facilitate the program. Course locations, delivery and dates are subject to change. Students are responsible for costs incurred to meet placement prerequisites, travel expenses and parking fees. A minimum passing grade of 65 percent must be obtained in each Personal Support Worker course.

HOW TO APPLY

APPLICATION PROCESS

For information on the application process, please visit loyalistcollege.com and view the page of the program to which you would like to apply. The process varies depending on the program credential and modality/delivery.

Visit ontariocolleges.ca to apply to full-time in-class Ontario College diploma and certificate programs. Your application allows you up to five program choices, with no more than three at any one college. To register for distance studies and continuing education courses, programs and certificates, visit loyalistfocus.com.

If you are at another college or university and would like to switch to Loyalist, or you would like to transfer from Loyalist to university or another college, visit ONTransfer.ca, or contact the Loyalist College transfer office at transfer@loyalistic.on.ca.

ADMISSION DECISIONS

Applicants can expect a written decision (offer of admission, offer of admission with conditions, waitlisted, alternate offer of admission) in the mail. If you wish, you can request a verbal explanation from Loyalist Enrolment Services.

TRANSFER CREDITS

Transfer credits from other post-secondary institutions will be assessed on an individual basis. Applicants with training from other institutions should share this documentation with Loyalist when they apply.

MATURE APPLICANTS

A mature applicant is someone who meets all of the following criteria:

- Is at least 19 years of age or older on the first day of classes in the year of admission.
- Does not have an OSSD or equivalent.
- Is a Canadian citizen or permanent resident.

EQUIVALENT CANADIAN STANDARDS

In order to be considered for admission to Loyalist, applicants must provide proof of academic standing equivalent to a Grade 12 Ontario Secondary School Diploma (OSSD). Applicants from outside Ontario – including international applicants – must submit certified transcripts of their grades. Applicants whose first language is not English must provide documented proficiency in English (see [page 20](#) of Look Book).

DOUBLE DIPLOMAS

Double diplomas are pairings of related programs that allow a graduate of a diploma program to complete a second diploma in only one additional calendar year. For detailed information and minimum requirements, contact the program Coordinator of the second program.
