Turning Point Youth Services
95 Wellesley Street, East
Toronto, ON M4Y 2X9

Dear Hiring Manager:

It is with great interest that I am writing in response to the Child and Youth Worker – Relief position at Turning Point Youth Services which was posted on Charity Village. My commitment to providing a positive and supportive environment for youth will be a great asset to the operation of your facility.

As a Child and Youth Worker graduate of Loyalist College, I bring not only a solid understanding of the issues and challenges facing youth today, but hands on experience gained from my placements. My most recent placement was at Quinte Children's Homes where I created and facilitated interactive activities and programs for youth at the centre. Providing safe and quality care throughout the programs allowed me to develop a trusting and respectful relationship with the youth which helped minimize their aggressive behaviour.

In addition to my formal education and training, for the past two summers I worked as a Camp Leader at Camp Can Adventure. Part of my responsibilities included supervising and ensuring children/youth participated in the daily activities, performing basic First Aid/CPR and completing daily reports on campers' progress and social interaction.

My qualifications, in particular my ability to effectively communicate and develop a professional rapport with youth make me an excellent candidate for the Child and Youth Worker – Relief position at Turning Point Youth Services. I would appreciate the opportunity to meet with you to further discuss how I can be an added value to your team. I can be contacted at 613.961.2112 or via email at tj@hotmail.com

Sincerely,

Trent Jackson
