## Services for Employers

# ON-CAMPUS RECRUITMENT

## Employers In The Hall

Throughout the year The Career Centre welcomes employers on campus to meet our highly skilled students. We will arrange a high traffic location for you to set up an information booth as part of our Employers In The Hall program or we can work with faculty to get your organization in front of students from specific programs for in-class presentations.

We encourage you to meet and build mutually rewarding relationships with our students and graduates.

If you are interested in booking space through our Employers in the Hall program or would like to do an in-class presentation please contact The Career Centre at 613-969-1913 x2449 or email [careers@loyalistcollege.com](mailto:careers@loyalistcollege.com)
