INTERVIEW FACILITIES

If your organization requires space to hold interviews with prospective employees, look no further than the Loyalist College Career Centre.

The Interview Room sponsored by Wilkinson & Company LLP can accommodate up to three interviewees (if you require more space we would be happy to book you facilities located throughout the College). We make the interviewing process hassle free by setting up appointments with prospective students (if required) and provide your organization with front-of-line staff to greet all candidates.

We encourage you to meet and build mutually rewarding relationships with our skilled students and graduates.

If you are interested in booking our interview facility, please contact The Career Centre at 613-969-1913 ext. 2449 or email careers@loyalistcollege.com
