

## HEALTH & WELLNESS

Graduates were asked what type of occupation they currently have, and if their occupation is related to their field of study. The top responses from graduates working in jobs related or partially related to their fields of study from the last five years are listed here. Professions may attract graduates from various programs.

These are the Top occupations found by graduates – full-time related or partially related

### *Personal Support Worker*

<i>Percentage</i>	<i>Occupation Name</i>
47%	<a href="#">Nurse aides, orderlies and patient service associates (3413)</a>
46%	<a href="#">Home support workers, housekeepers and related occupations (4412)</a>
4%	<a href="#">Social and community service workers (4212)</a>
