

AccessAbility Services assist students with disabilities in adjusting to the College environment. Since each student's needs are unique, supports and accommodations are arranged on an individual basis. Students requiring supports are encouraged to discuss academic accommodations and services as early as possible. Documentation must be provided before an intake appointment is scheduled. Should you not have any documentation, please notify our staff.

Date: _____

Student Success

AccessAbility Services Application Form

Dear Student,

We are so pleased that you chose Loyalist College. It is our goal to maximize your potential for success, inspire your confidence, get you excited about learning, and prepare you for the workplace. Most importantly, we hope to guide you towards an amazing College experience.

We support students identified or diagnosed with:

- Attention Deficit Disorder (inattentive, hyperactive, combined)
- Autism Spectrum Disorder (ASD)/Asperger's
- Blind or Low Vision
- Brain Injury
- Deaf or Hard of Hearing
- Fetal Alcohol Syndrome Disorder
- Learning Disability
- Intellectual Disability
- Medical Condition
- Mental Health (anxiety, depression, etc.)
- Mild Intellectual Disability
- Mobility

We work with students who had an Individual Education Plan (IEP) in secondary school as well as students who have been supported through community agencies. We also work with students who feel they may have a disability that impact their learning.

Loyalist is pleased to offer you the following supports through Student Success:

- Peer Tutoring – One-to-one and/or drop-in for math, writing and computer support
- Counselling – Mental health, emotional or personal
- Student Success Mentor – Learn to Learn Workshops and supports

Please complete the application form on the reverse side. If you would like to meet with AccessAbility prior to your start date, please contact studentsuccess@loyalistcollege.com or 613-969-1913, ext. 2519 to arrange an appointment.

For more information, please visit: loyalistcollege.com/accessabilitycentre

Kind regards,

Student Success – AccessAbility Team
