You will be taught by staff who are highly-ranked researchers in their field. Our academics and researchers are making a real difference, developing innovative technologies and shaping society.

Getting the most out of your time at UWS

We have a number of specialist student support teams, based on each campus, who can offer advice on a range of matters including:

- Visas and immigration
- Wellbeing and health
- Academic skills
- Careers and much more

UWS community

There is a real community feel across our small, friendly campuses. We offer affordable, modern accommodation in a safe environment. Living in UWS accommodation is a great way to make new friends and really enjoy the fun side of being a student.

Visit www.uws.ac.uk/accommodation for the latest details on our accommodation and the costs involved (with prices starting from as low as £85 per week).

Apply

Applications for the majority of our taught and research courses can be made online, free of charge, at www.uws.ac.uk/apply

Our website offers a step-by-step guide on how to apply for international students at www.uws.ac.uk/international/how-to-apply

Fees and Scholarships

Typically our international tuition fees range from £13,000 to £16,000. Some courses have special fees, please check our website for full details at www.uws.ac.uk/money-fees-funding

The fees shown online include all tuition, registration and examination costs. International (Non-EU) students will be required to pay £3,500 of their tuition fee before their CAS (Confirmation of Acceptance for Studies) is issued.

We have a range of partial internal and external scholarships and incentive schemes for full fee-paying Non-EU students. For more information contact international@uws.ac.uk
