The student forwards the Academic Appeal Form to the Registrar's Office, date stamped within five working days of receiving the written response from the Dean, disciplinary action, or other penalties assessed by the College.
- b. The Registrar, in consultation with the Academic Appeal Board Chair, will either confirm that the matter is appropriate for consideration by the Board, or refer the appeal to the appropriate individual or group. If appropriate, the appeal will then be reviewed by the Academic Appeal Board.

- d. The Registrar collects documentation from the student, faculty, and Dean in order to distribute to the Academic Appeal Board at least two working days prior to the hearing.
- e. Each party to the appeal is heard separately. The Board reserves the right to audio tape any interview conducted during the appeal process to assist in the clarification of the facts as provided by the parties concerned. Tapes are the property of the Board and will be destroyed by the Registrar immediately following the Board deliberation and appeal decision.
- f. The student will make a presentation to the Academic Appeal Board outlining the basis for the appeal. If the student wishes, they may be accompanied by a person of their choice. Any person accompanying the student is not permitted to participate directly in the proceedings. Board members may question the person in matters related to the appeal.

- h. If any additional information is required, it will be requested by the Chair of the Academic Appeal Board from the appropriate sources.
- i. In the event of a tied vote, the appeal will automatically be decided in the student's favour.

- l. In the case of an appeal based on process or procedures of the Board, the appeal would be reviewed by the Senior Vice President Academic and a decision will be made within five working days. Appeals based on issues other than process or procedures will not be considered and the decision of the Academic Appeal Board will stand.
