A Caring Campus  
Community

DISCOVER US  
ON INSTAGRAM

Located on more than 200 acres in the beautiful Bay of Quinte region and perfectly positioned between Toronto, Ottawa and Montreal, Loyalist is a destination for students seeking a friendly, inclusive and accessible College. Our number one priority is supporting your success personally and professionally.

01

Loyalist College is Ontario's Destination College, known locally, nationally, and internationally as a deliberate choice of students, faculty, and staff, where their experiences are enabled by an engaged and supportive culture.

LOYALIST COLLEGE VISION STATEMENT

Our in-class programs are designed to prepare you for the workforce with hands-on learning led by industry experts in small classes and with related field placements. We also offer hundreds of online and distance courses through [loyalistfocus.com](http://loyalistfocus.com). Created with the same outcome-based philosophy as our daytime programs, these courses allow you to work toward a wide range of credentials at your own pace and time.

Whether you plan to work after graduation or build on your credentials with a second diploma or university degree, Loyalist offers high-quality transferable credits through more than 100 university agreements across Canada and beyond. Loyalist also recognizes credits from other colleges and universities, enabling you to complete your studies at Loyalist and gain real-world experiences and valuable employer connections.

To find out how you're going places, visit [loyalistcollege.com](http://loyalistcollege.com) to watch program videos, read graduate testimonials and news stories, view photo albums and find out more about our superior student services.

(01/02) Loyalist is a friendly, inclusive College community. (03) Your journey at Loyalist College will take you through a fully experiential learning environment with community engagement and hands-on opportunities to drive you to your personal career destination. (04) Founded in 1967, Loyalist's main campus is located in Belleville, Ontario.

## Land Acknowledgement

Loyalist College is located on the territory of the Huron-Wendat, the Anishnaabeg, and the Haudenosaunee people. We acknowledge our shared obligation to respect, honour, and sustain these lands and the natural resources contained within.

# Learning Centres

The leading-edge facilities at Loyalist will give you access to the latest tools and technologies, learning resources, and realistic practice environments that prepare you to be confident and effective in the workplace. Gain hands-on experience working with state-of-the-art technology in our biosciences labs and skilled trades workshops, engage in interactive education in our interprofessional simulation labs, and bring learning to life in our fully integrated Digital Media Centre.

## The Bay of Quinte Skills Centre

Demand for workers in the skilled trades keeps building. That's why Loyalist prepares its graduates to meet that need with ultra-modern facilities and hands-on training using the latest technology. Our newly-equipped skilled trades workshops are part of our 121,800-square-foot LEED® Silver certified The Bay of Quinte Skills Centre. The Centre also includes the Link Lounge, which features quiet glass-enclosed study pods, a laptop counter, a sunken lounge and a vertical garden stretching across one of its walls! The 25-foot self-sufficient living wall features more than 300 plants that create a bio-filter system to improve the Lounge's air quality.

## Digital Media Centre

This 10,000-square-foot integrated newsroom features video editing suites, a television studio, interview booths, audio production booths and meeting rooms. It's used by several Media Studies programs to create content for QNet News, an award-winning online community news service with coverage throughout the Bay of Quinte region, and for the award-winning Pioneer publication. Content is generated across multiple platforms - from radio and television to print and online. Students are on the cutting edge of experiential learning as they gather and distribute high-quality news and information within an ever-changing media landscape.

## Renovated Northumberland Wing

The renovated third floor of the Northumberland Wing in the Kente Building, which officially opened in 2020, is where Loyalist students in the health, human services, social development and public safety programs collaborate on integrated programming, projects and applied research. This innovative experiential learning space houses interprofessional simulation centres, high-tech classroom environments, and state-of-the-art student spaces.

01

02

03

(01) Students gain hands-on experience in the newly renovated interprofessional simulation centres of the Northumberland Wing. (02) In The Bay of Quinte Skills Centre, skilled trades students work with the latest tools and technology. (03) Loyalist offers state-of-the-art learning facilities, such as the Digital Media Centre, Belleville Campus. (04) Loyalist's ARC is an innovation hub helping industry collaborate with academia to transform the results of research into high-quality, consistent and safe products. (05) Students have access to PC and Mac computers and various technology services on campus. (06) The Parrott Centre library, Belleville campus.

Loyalist College empowers students, faculty, staff, and partners through experiential, economic, cluster-based applied programs and research that provide career-ready graduates for, and knowledge transfer to, industry and the community.

LOYALIST COLLEGE MISSION STATEMENT

04

#### The Maureen Piercy Student Access Lab (SAL)

The SAL is available to all students to research, work and print assignments. It features PC and Mac computers, colour printing and scanning, program-specific software, bring-your-own technology areas, wireless access, diverse workspaces and a help desk.

#### The Parrott Centre – Library Resources

The Parrott Centre is pleased to provide Loyalist students, staff and faculty with an abundance of resources, including books, eBooks, journals, streaming video and online journal databases. The library's electronic collections are available 24/7 wherever internet access exists. In-house services include research assistance, interlibrary loans, computers, printing and photocopying, space for group and individual study, two group study rooms on our accessible mezzanine level, and a staff of friendly information experts to help navigate it all. The library also offers virtual help through chat or email to assist students remotely.

Learn more: [loyalistlibrary.com](http://loyalistlibrary.com)

#### The Applied Research Centre for Natural Products and Medical Cannabis (ARC)

Loyalist's Applied Research Centre for Natural Products and Medical Cannabis (ARC) is a state-of-the-art laboratory which provides industry with access to a hub of resources and expertise in clean technologies for analysis of commercially relevant biologically active compounds, with applications in the food and beverage industry, functional food and natural health products, and medical cannabis industry. The Loyalist ARC is also the first and only federally supported Technology Access Centre specializing in natural products and cannabis.

# Support Services

Come feel the difference of learning in a close-knit College atmosphere. At Loyalist, we're committed to your success. You'll receive support from faculty and staff who really care that you're getting the most out of your College experience.

## Student Success

College provides an exciting opportunity to meet new people and learn new things. It can also be a little overwhelming. In fact, most students take up to a semester to really settle in and feel comfortable.

To ensure that you have a successful experience at Loyalist, we invite you to access the many services available to you in the Student Success Hub, located above The Maureen Piercy Student Access Lab (SAL):

Student Success Mentors

–

Tutoring Services

–

Testing Services

–

Counselling Services

–

AccessAbility Services

For more information about the range of services available, visit [loyalistcollege.com/studentsuccess](http://loyalistcollege.com/studentsuccess) or email [studentsuccess@loyalistcollege.com](mailto:studentsuccess@loyalistcollege.com)

## Wellness@Loyalist

Wellness@Loyalist enriches the College culture and improves the quality of life for students through programming, educational opportunities and engagement initiatives, including the following:

Wellness Break

–

Wellness Loft

–

Wellness Ambassador Team

–

Student Food Cupboard

Learn more:

[loyalistcollege.com/wellness](http://loyalistcollege.com/wellness)

## Indigenous Services

Indigenous students at Loyalist are supported in reaching their full academic and personal potential, and encouraged to express and develop their Indigenous identity through cultural activities and workshops in a holistic environment. Indigenous Services acts as a liaison between College administration, Indigenous communities and government agencies.

Learn more:

[loyalistcollege.com/indigenousservices](http://loyalistcollege.com/indigenousservices)

## International Centre

Our International Centre is here to help you settle into your new home at Loyalist College – socially, academically and culturally. We offer assistance with housing and health insurance, provide information on immigration and settlement issues, and also host a variety of fun cultural activities and trips throughout the year. International students and students who are new to Canada are valued members of the Loyalist community.

Learn more:

[loyalistcollege.com/international](http://loyalistcollege.com/international)

## Student Health Centre

The clinic is staffed by a full-time registered nurse, support specialist and part-time attending physician. It provides comprehensive, high-quality and responsive health care services and coordinates the immunization clearance for students attending placements.

Learn more:

[loyalisthealthcentre.com](http://loyalisthealthcentre.com)

## The Career Centre

It's common for students to balance their studies with a part-time job to help pay their way or earn a little pocket money. Our friendly staff at The Career Centre can help you find employment in the community or on campus. You can also drop in and speak with staff for career and education advice, seek help with your résumé or cover letter, and get information on how to best market yourself to future employers.

Visit [loyalistcareercentre.ca](http://loyalistcareercentre.ca) for job postings.

## Alumni Services

Alumni Services provides opportunities for graduates to remain actively engaged and connected with the Loyalist College community after graduation. Graduates receive exclusive alumni perks and benefits, including group insurance rates and lifetime access to campus career services. Your Alumni Services office supports value-added initiatives, such as events, recognition, mentorship and networking activities, and also maintains various communication channels to keep you informed.

## Community Employment Services

Loyalist College Community Employment Services (CES) delivers Employment Ontario programs and services in the Belleville and Bancroft areas. Specialized help for individuals to attain their employment goals is available, free of charge. Whether clients need support to identify a career; to learn job search techniques; to build an effective résumé and cover letter; to practise interview skills; or to access training funding to increase their marketability, CES can help. Visit [loyalistces.ca](http://loyalistces.ca).

01

02

# Continuing & Distance Education and Corporate Training

Loyalist College offers more than 1,000 part-time, in-class and distance education opportunities available through monthly and semester starts.

## Continuing Education

Pursue your interests, learn a new skill, or jump-start or further your career with flexible in-class and online learning opportunities. Continuing Education at Loyalist College offers unique and diverse programming in areas such as the arts, business, computers, languages, culinary arts, compliance-level training, camps for kids and teens, and more. Browse a wide selection of upcoming courses at [loyalistfocus.com](http://loyalistfocus.com).

## Distance Education

Learn anytime, anywhere with flexible options that fit your life. Distance Education at Loyalist College offers a range of online courses, certificates and diploma programs available through monthly and semester starts. Online learning provides the freedom to work at a location and time that is convenient for you while receiving guidance from a facilitator and enjoying interaction with classmates. Financial assistance may be available for credentialed learning through such sources as Second Career, OSAP and part-time student loans. For a complete overview of available programming, visit [loyalistfocus.com](http://loyalistfocus.com).

03

## eLab at Loyalist

If you are considering an online diploma or certificate program, Loyalist offers dedicated computer classrooms on campus in Belleville and Bancroft. Our eLabs can help you accomplish your goals. Enjoy the flexibility of online learning while receiving support from eLab staff and on-campus services. Please note that additional fees apply for completing courses in the eLab. Financial assistance may be available through sources such as Second Career, OSAP and part-time student loans. Visit [loyalistcollege.com/elab](http://loyalistcollege.com/elab) to learn more.

## Loyalist Training and Knowledge Centre

Loyalist Training and Knowledge Centre (LTKC), a Corporate Training Division of Loyalist College, offers practical, hands-on workplace learning and performance solutions that enable organizations to meet their specific business goals and objectives. LTKC has hundreds of courses available at [loyalisttraining.com](http://loyalisttraining.com) and can work with organizations to customize programs to suit their specific requirements. Programs can be delivered on site at a facility or in classrooms at Loyalist College. LTKC also offers employment testing, coaching, and consulting services. For details, visit [loyalisttraining.com](http://loyalisttraining.com).

(01) Indigenous Services offers various social and cultural events. (02) The Career Centre provides a variety of services and resources that support students and alumni in their career exploration and development. (03) Gain the tools your organization needs to achieve greater success with programs designed by the Loyalist Training and Knowledge Centre. (04) Accomplish your educational goals with the flexibility of online learning and support of on-campus facilities through the eLab.

04

# On Campus

Make the most of your College experience. Your time at Loyalist offers many opportunities to get involved, make friends and build memories. With a range of unique on-campus activities, including varsity athletics and student clubs, we encourage you to find your passion, refine your skills and make valuable connections that will drive you to your personal career destination.

## Student Government

Loyalist's Student Government enriches the lives of students with a variety of programs and services, welcoming facilities and amazing social and recreational events.

## Get Involved

Visit [loyalistlife.com](http://loyalistlife.com) to learn about on-campus employment, clubs and the many ways you can get involved.

## Sustainable Loyalist

Lend a hand with green projects by visiting [loyalistcollege.com/sustainability](http://loyalistcollege.com/sustainability).

## Student Centre

Student Centre: The 10,800-square-foot Student Centre is the place to relax between and after classes, offering:

- Daytime and evening events
- 
- A dining and study area
- 
- Food services
- 
- Lounge space
- 
- Pool tables
- 
- Big-screen movies
- 
- An outdoor patio

## Where to Eat

We have five dining locations on campus with options to suit every taste and budget. Purchase a meal plan or pay as you go. Visit [loyalist.campusdish.com](http://loyalist.campusdish.com) for more information on meal plans.

Taste what Culinary students are cooking! Resto 213 offers a gourmet menu curated by our Culinary students at very reasonable prices. Looking for market fare? The Loyalist Market, just across from Resto 213, sells gourmet fresh and frozen take-out.

Visit [resto213.com](http://resto213.com) for more information.

## Bookstore

Open year round to Loyalist students and the public, the Loyalist College Bookstore has shelves stocked full of textbooks, school supplies, trade books, software, clothing and giftware. You can also shop anytime at [loyalistshop.ca](http://loyalistshop.ca).

01

02

03

# Athletics

Our reputation for sports is recognized both provincially and nationally – led by some of the top collegiate coaches in the province who bring a valuable mix of integrity and honesty to our students. There's no better way to build lifelong friendships than being on a team.

03

04

PLAY VIDEO

## Varsity Athletics

The Loyalist Lancers are proud members of the Ontario Colleges Athletic Association (OCAA) and compete in eight different sports within the league:

- Men's and Women's Basketball
- Men's and Women's Cross Country
- Men's and Women's Volleyball
- Women's Rugby 7s
- Women's Soccer

## Campus Recreational Programs

Looking for a way to stay active, have fun and meet new people? Campus Rec is the place for you! We offer a wide range of programming to meet the needs and interests of a broad range of students. From traditional sports such as basketball and badminton to exciting new opportunities in slacklining, cricket and ultimate frisbee, Campus Rec has something for everyone.

## Outdoor Adventures

Loyalist boasts a unique Outdoor Adventure program that gives students the opportunity to experience new activities or pursue their passions while exploring the beautiful natural environment of the Quinte region, Ontario and beyond. Take part in skiing, snowboarding, high ropes, hiking, paintballing and more!

## Athletic Facilities

Find everything you need on campus to stay in shape while having fun:

- Full-sized Gymnasium
- Well-equipped Fitness Centre
- Outdoor soccer fields, a volleyball court, a baseball diamond, a sports pad and a disc golf course

Learn more: [loyalistlancers.com](http://loyalistlancers.com)

# Community

Located in the scenic Bay of Quinte region, Loyalist is part of a vibrant and friendly community that boasts small-town warmth while offering big-city amenities. On campus, you'll find a tight-knit group of unique and talented individuals coming together to build a brighter future. The people you meet here will be a big part of your College experience. You will study together, learn from each other and forge relationships that will last a lifetime.

## Explore the Bay of Quinte

Everything from extreme water sports to leisurely walks and bike rides across the countryside are possible in this picturesque geographical region. Sandbanks Provincial Park in Prince Edward County is the world's largest freshwater sandbar and dunes system – one of Ontario's most beautiful beaches! With so many natural treasures to explore as well as a thriving art and culinary scene, the Quinte region has become one of Ontario's most popular tourist destinations.

During the winter months, try snowmobiling, tobogganing or outdoor skating. Batawa Ski Hill is just a short drive from Loyalist for those who are into downhill winter sports.

Indoor activities happen on a regular basis at Belleville's newly expanded Quinte Sports & Wellness Centre. It boasts three pools, an indoor track and hundreds of fitness and recreational programs. In addition, the Centre houses four NHL-sized ice rinks, including the CAA Arena, home of the American Hockey League's (AHL) Belleville Senators.

01

02

04

03

# Residence

Peacefully nestled in a cozy wooded country setting on campus, our Residences are your comfy home away from the hustle and bustle of student life. With enough space for 466 students, Loyalist has five suite-style Residence buildings. We also have 104 spots in four new, fully furnished townhouse buildings.

05

06

07

08

## Here's what you'll find in our suite-style Residences:

Each Residence is set up apartment-style with six bedrooms, two bathrooms, a kitchen, and a common living area.

Each bedroom includes a twin captain's bed, study desk and chair, desk lamp, dresser, night table, bookshelf and a corkboard.

Kitchen and dining areas are equipped with a fridge, stove, microwave, dishwasher, dining table, chairs, loveseat and a coffee table. Barrier-free units are available in three buildings.

A centrally located Residence Commons has a computer lab, a coffee shop, a lounge area with a limestone fireplace, quiet study rooms, laundry facilities, a gaming room, and a living room with a big-screen TV.

For details, visit [loyalistcollege.com/residence](http://loyalistcollege.com/residence).

## Residence Fees (2020/21)

<b>Suite-Style Residence —</b>	
<b>Single Occupancy</b>	\$6,000*
(eight months, two semesters)	
<b>Townhouse Residence</b>	
(10-month lease, July through April)	\$6,960*

\*Subject to change.

## Transportation & Parking

Loyalist is connected to the City of Belleville by a dedicated bus route operated by Belleville Transit (BT). You can catch a bus right outside the College and Residence. Permits for parking on campus are available for purchase; for details, visit [loyalistcollege.com/parking](http://loyalistcollege.com/parking).

(01-03) The Bay of Quinte is a tourist hotspot, renowned for its natural beauty and scenic waterfront. (04) Students explore Belleville's historic and charming Downtown District. (05-07) Get the most out of your College experience by living on campus. (08) The floor plan of Loyalist's suite-style Residences.

# Financials

A college education is a smart investment in your future. At Loyalist, we'll do everything we can to make sure cost isn't a barrier to your studies.

## Funding Options

Loyalist provides more than a million dollars each year through awards, bursaries, scholarships and on-campus employment initiative opportunities to help students succeed. Thanks to the friendly staff in our Financial Aid Office, you will have access to a wide range of funding options, and tips on how to apply and remain on budget through the school year.

For more information and to view the awards directory, visit [loyalistcollege.com/awards](http://loyalistcollege.com/awards).

## Second Career

The Second Career program offers unemployed or underemployed workers the opportunity to retrain for high-demand occupations in the local labour market. Training can be short term or long term, based on your employment goals. Recently laid-off workers can be active EI claimants, EI Reachback or non-EI eligible. The Second Career program has proven to be very successful in providing an opportunity for displaced workers to pursue training for a new career.

## OSAP

Ontario residents who are Canadian citizens, permanent residents or protected individuals may qualify for the Ontario Student Assistance Program (OSAP), which offers two kinds of funds:

- Grants: money you don't have to pay back.
- 
- A student loan you need to repay.

Both the Ontario government and federal government provide this money. There are various loan and grant programs for:

- 
- Full-time students (60%+ of a full course load; 40%+ if you have a permanent disability).
- 
- Part-time students (between 20 - 59% of a full course load).

To confirm whether OSAP funding applies to a particular program, please visit the program web page online. There is no fee to apply for OSAP. Apply online at [ontario.ca/osap](http://ontario.ca/osap).

Out-of-province students should apply for financial assistance within their home province. Staff in our Financial Aid Office will be pleased to assist you.

Please contact:  
[financialaidoffice@loyalistcollege.com](mailto:financialaidoffice@loyalistcollege.com)

01

02

03

04

05

**Full-Time Student**

To qualify as a full-time student, your course load must represent at least 70 percent of the hours or of the courses required for the semester of the program in which you are enrolled.

**Additional Program Costs**

Some programs charge an additional non-refundable fee for items such as equipment, learning materials, co-op work terms and clothing retained by the student, along with material used in the production of items that become the property of the student. Additional program costs, where applicable, will be outlined in the fee statement.

**Student Fees (2020/21)**

The following tuition and ancillary fees apply to domestic full-time day students for a standard two-semester program for Fall intake. Rates are adjusted for part-time students and for Winter/Spring and Summer intake.

Please note that this is a snapshot of fees for current Loyalist students at various points in their studies. Fees are subject to change.

	Year One	Year Two	Year Three
Tuition	\$2,722.08	\$2,696.54	\$2,682.28
Full-Time Ancillary Fees*	\$1,462.35	\$1,462.35	\$1,462.35
<b>Total</b>	<b>\$4,184.43</b>	<b>\$4,158.89</b>	<b>\$4,144.63</b>

No additional taxes. Programs that are less than or greater than two semesters in length, or offered through a different delivery option, have different costs. For example:

<p><b>Practical Nursing Tuition:</b>                  \$3,986.64 (year one)                  \$5,545.23 (year two – three semesters)                  plus \$1,462.35 in ancillary fees for year one                  and \$2,030.04 in ancillary fees for year two.</p>	<p><b>Bachelor of Science in Nursing Tuition:</b>                  \$6,008.94 (year one)                  \$5,951.54 (year two)                  plus \$1,462.35 in ancillary fees per year.</p>
--	--

Learn more: [loyalistcollege.com/tuition](http://loyalistcollege.com/tuition)

**Part-Time/Distance Fees:** Visit [loyalistfocus.com](http://loyalistfocus.com)

For costs of programs and courses offered through distance studies, including online and correspondence, visit [loyalistfocus.com](http://loyalistfocus.com).

\*For a list of the many services, activities and items included within the ancillary fees, and the related policies, please visit [loyalistcollege.com/tuition](http://loyalistcollege.com/tuition).

# Experiential Programs

Our faculty members care about your professional development and will do all they can to help you succeed. At Loyalist, you'll receive individual attention in small classes from teachers who will guide you in achieving positive outcomes and acquiring the skills you need to launch and grow your career. With extensive industry experience, our faculty members have insight into the latest trends, technologies and business practices. They can open doors to valuable workplace connections, industry events, local and international placement opportunities, and, quite possibly, to your next job.

01

## Transfer Agreements

Many universities and colleges will provide credit recognition for your diploma studies at Loyalist:

Loyalist has more than 100 transfer agreements with post-secondary institutions across Canada and abroad.

– Gain university admission and/or credit for College study.

– Complete your degree in a shorter period of time, with less expense.

– Program-specific opportunities are listed for each full-time program under 'Programs and Courses' at [loyalistcollege.com](http://loyalistcollege.com).

– Many institutions will consider a one-year certificate towards admission; contact the post-secondary institution of your choice to make individual arrangements.

– To help you explore transferring credits between Ontario's colleges and universities, please visit [ONTransfer.ca](http://ONTransfer.ca) or contact [pathways@loyalistcollege.com](mailto:pathways@loyalistcollege.com).

## Advanced Standing

Do you already have a diploma or degree? If so, you could be eligible to earn a diploma in as little as one year. Check out Loyalist's accelerated, fast-track and direct entry options offered in many programs.

## Study Abroad in Ireland or Scotland

Graduates of numerous Loyalist College two- and three-year diploma programs have the opportunity to earn a degree in as little as one academic year through advanced standing entry into bachelor programs at the Limerick Institute of Technology (LIT) and the Institute of Technology Tralee in Ireland.

Through Loyalist's pathway with the University of West Scotland (UWS), successful graduates of Loyalist's two-year Broadcasting – Radio, Film & Television Production – Interactive Media Development and Journalism – Communications programs now have the opportunity to enter the third year of degree programs at UWS.

“Loyalist College provides an inspiring, well-rounded, and real-world student experience that offers choice and opportunities within and beyond the classroom.”

DR. ANN MARIE VAUGHAN, LOYALIST COLLEGE PRESIDENT & CEO

### Work Placements & Experiential Learning

At Loyalist, learning goes beyond the classroom. Enrich your education with work placements, field trips, trade shows, work-integrated learning, guest speakers and fun-filled community events. Our students have had unforgettable experiences – from working with the Ottawa Senators Hockey Club and writing for the *Montreal Gazette* to cooking with Chef Michael Stadtländer at the world-renowned Eigensinn Farm. Some of our programs offer the opportunity to gain invaluable learning through trips to Morocco, Portugal, Paris, New York City, Florida and beyond.

### Credential Categories

**Ontario College Graduate Certificate**  
2 semesters | 600 – 700 hours\*

**Baccalaureate Degree**  
6 – 8 semesters | 90 – 120 credits (or equivalent)

**Ontario College Advanced Diploma**  
6 semesters | 1,800 – 2,100 hours

**Ontario College Diploma**  
4 – 5 semesters | 1,200 – 1,400 hours\*

**Ontario College Certificate**  
2 semesters | 600 – 700 hours\*

**Loyalist College Certificate**  
240 – 500 hours

\*Some exceptions apply. For all program details, visit [loyalistcollege.com](http://loyalistcollege.com).

(01.03.08) Learn in a friendly, caring environment from dedicated faculty committed to your success and with easy access to learning supports. (02.04) At Loyalist, learning goes beyond the classroom with field trips and work placement opportunities. (05) Students learn in one of Loyalist's interprofessional simulation labs. (06.07) Gain experience working with industry tools and equipment.

# Media Studies

[loyalistcollege.com/mediastudies](http://loyalistcollege.com/mediastudies)

	CREDENTIAL	PROGRAM DESCRIPTION	PROGRAM HIGHLIGHTS	PLACEMENT
<b>Advertising &amp; Marketing Communications – Creative Design</b>	OCD	Use your creativity and inspiration in a career that lets you play with ideas. Develop strategic plans and create engaging concepts to connect brands with their customers through emerging media, online communities, radio, television and print, outdoor advertising, and guerilla and experiential marketing.	Evaluate and guide your professional development with self-directed activities promoting social, cultural and personal understanding. Work with real clients to create integrated marketing communications plans. A fast-track program option provides an opportunity to complete this two-year diploma in three semesters.	
<b>Animation &amp; Game Development – Interactive Media Development<sup>††</sup></b>	OCAD	Specialize in character animation, 2D/3D animation, game design and development, visual effects, motion graphics, VR/AR, web design or mobile applications.	Develop the skills needed for success in the gaming and animation industries in our cutting-edge facilities featuring the latest workstations with leading industry software, motion capture and VR/AR. We have small class sizes and a hands-on approach to learning.	✓
<b>Broadcasting – Radio</b>	OCD	Get hands-on professional training at two College radio stations, and prepare for a variety of exciting opportunities on the air, behind the scenes and online.	Starting in first year, get hands-on experience in on-air performance, storytelling, audio production, creative writing, news reporting, sales, and delivering content to radio's digital and mobile spaces.	✓
<b>Film &amp; Television Production – Interactive Media Development<sup>††</sup></b>	OCAD	Earn a full spectrum of skills – ranging from television production and digital filmmaking to web streaming and interactive content creation.	No BYOD costs. We provide digital camera, audio, lighting and grip equipment. No fully loaded MacBook Pro requirements either – Loyalist College offers the use of Mac and PC labs with relevant software to help you complete your work.	✓
<b>Photojournalism</b>	OCD 	Develop the “triple threat skill set” of multimedia storytelling through digital photography, video capture and news and feature writing.	With a focus on experiential learning, develop skills in reporting, writing, camera operation and lighting. Learn advanced photojournalism techniques in digital photography, video capture and computer-based image processing. Applicants may be eligible for advanced standing.	✓
<b>Photojournalism (Advanced Standing)</b>	OCD			✓

# Business

[loyalistcollege.com/business](http://loyalistcollege.com/business)

	CREDENTIAL	PROGRAM DESCRIPTION	PROGRAM HIGHLIGHTS	PLACEMENT
<b>Business</b>	OCD	Business skills are needed in every industry, from aviation and food production to manufacturing and professional sports. A business education is an opportunity – where you take it is up to you!	Develop academically, professionally and personally with guidance from an experienced faculty team and with courses dedicated to your needs and career goals. Prepare for the workforce through orientation activities, skills development, networking and placement opportunities.	✓
<b>Business – Accounting</b>	OCD	Every business has a numbers story. Whether it's in the fields of art, health, fashion, real estate or sports – the options are endless. Explore a career path that can take you virtually anywhere.	This program delivers concrete, marketable skills with a dual focus on financial and management accounting. Learn from case studies, simulations, clinics, and guest speakers from the local business community.	✓
<b>Business Administration – Accounting</b>	OCAD			✓
<b>Business Sales &amp; Marketing</b>	OCD	People with sales and marketing expertise are revenue generators – making an impact on the bottom line, a talent that's in demand in virtually every sector.	Refine your selling techniques with role-playing exercises, including business-to-business sales calls based upon real-life companies and products, and job interviews. Where applicable, upper management teams from various businesses participate in the role plays as buyers or potential employers. Gain hands-on experience during job shadows and a placement and by working on projects with members of the community.	✓
<b>Esthetics &amp; Spa Management</b>	OCD	Become a qualified esthetician and learn the business of safe spa therapies. Develop advanced skills in all modern spa services as well as in cosmetic retail sales, at-home product sales and management responsibilities. Become a leader in new spa infection control practices and industry driven health and safety protocols by gaining hands-on experience working in The Spa at Loyalist, run by students and faculty.	Experience theory and practical application of a variety of spa therapies and advanced skin care technology utilized in day spas, destination wellness spas and medical spa facilities. Interaction with clients in The Spa at Loyalist, an authentic hands-on environment, develops a graduate who is in demand in a growing industry. In addition, students experience the spa industry through field trips and two placements.	✓

## †† Earn a Business Degree at Loyalist College

Why leave the Bay of Quinte region to pursue a Business degree when you don't have to? Begin your journey in Loyalist's two-year Business diploma program and then enter into the third year of Seneca's Honours Bachelor of Commerce – Business Management program. Pathway students will earn their Seneca degree at Loyalist's Belleville campus through technology-enabled learning while being supported by the College's exceptional Student Success services.

# Building Sciences

[loyalistcollege.com/buildingsciences](http://loyalistcollege.com/buildingsciences)

	CREDENTIAL	PROGRAM DESCRIPTION	PROGRAM HIGHLIGHTS	PLACEMENT
<b>Architectural Technician</b> <sup>††</sup>	OCD 	From sustainable houses to sophisticated office buildings and community centres, help design residential, commercial and institutional spaces that will shape our communities and the way people live.	Learning combines classroom instruction with hands-on computer drawing using the latest industry software in our dedicated design studios, developing design and construction projects, and field trips – all to learn how to help design, develop and construct all types of construction and renovation projects.	
<b>Architectural Technology</b> <sup>††</sup>	OCAD			
<b>Carpentry &amp; Renovation Techniques</b> <sup>††</sup>	OCC	There are career-building opportunities in this skilled trade for people who enjoy working with their hands. Loyalist students practise green and sustainable building methods as they work through a major construction or renovation project.	Practise your skills in carpentry and construction, including rough carpentry/framing, finish carpentry, base footings, insulation, vapour and air barriers, drywalling, window and door installation, finishing techniques, and roofing.	
<b>Carpentry &amp; Renovation Technician</b> <sup>††</sup>	OCD 			
<b>Civil Engineering Technician</b> <sup>††</sup>	OCD	By integrating science and engineering concepts with industry-specific technologies, civil engineering technicians and technologists assist in the monitoring and inspection of civil infrastructure projects.	Work with current versions of industry software, including AutoCAD and AutoCAD Civil 3D, and gain a range of skills in areas such as structural and municipal design, drafting, inspection and materials testing, to name a few.	
<b>Civil Engineering Technology</b> <sup>††</sup>	OCAD			
<b>Construction Engineering Technician</b> <sup>††</sup>	OCD	Construction engineering technicians work in the construction industry with contractors, government building departments and engineers on a range of building construction projects.	Work with current versions of industry software, and gain hands-on experience in surveying, structural drafting, testing, inspection of construction materials, project supervision and estimating.	✓
<b>Survey Engineering Technician</b> <sup>††</sup>	OCD 	Using instruments and computer software, survey engineering technicians conduct field measurements and analyze data to determine the precise locations of natural features, structures and property boundaries.	Loyalist College offers the only specialized program for survey technicians in Ontario. Gain extensive hands-on experience using current GPS equipment, total stations, data collectors and industry software, such as MicroSurvey and AutoCAD.	✓

Shape the spaces, buildings and infrastructure of our communities. From concept and design to engineering and construction, gain the specialized skills needed to have a lasting impact on our surroundings and how people live.

**SAMPLE COURSES†**

Architectural CAD (Computer Aided Design) · Architectural Presentation · Building Construction, Codes & Standards · Construction Management · Environmental Systems · Introduction to Surveying · Project Coordination

Applied Building & Construction Theory · Building Construction, Codes & Standards 1 · Building Construction Techniques 1 · Building Methods & Materials · Computer Applications/CAD 1 · Drafting Studio · Residential Estimating

# Skilled Trades

[loyalistcollege.com/skilledtrades](http://loyalistcollege.com/skilledtrades)

	CREDENTIAL	PROGRAM DESCRIPTION	PROGRAM HIGHLIGHTS
<b>Automotive Service Technician Apprenticeship</b>	COA & OCC	To become an apprentice, you must be registered with the Ministry of Labour, Training and Skills Development and work for an employer who accepts full responsibility for your instruction in all aspects of the trade. Your in-class learning is completed at Loyalist.	Learn while you earn, with 6,000 hours of on-the-job training and three levels of in-school training for a total of 720 hours. On campus, get hands-on practice working with the latest automotive service technology in The Peter F. Huff Automotive Centre.
<b>Computer Systems Technician</b>	OCD	Learn the specialized skills needed to develop, operate, troubleshoot and maintain computer and network systems.	Learn the in-demand skills needed for success in the IT field, including network development, operating system installation, web design, virtualization architecture and more.
<b>Electrical Techniques<sup>††</sup></b>	OCC	Electrical students are introduced to electrical principles, motor control and building construction wiring in the first year while Technician students advance into industrial automation and PLC programming in year two, preparing for tomorrow's trends in next generation robotics and industrial automation.	Learn in small classes from knowledgeable instructors, and gain hands-on experience using current industry technology in Loyalist's electrical labs.
<b>Electrical Engineering Technician – Industrial<sup>††</sup></b>	OCD		
<b>Mechanical Techniques<sup>††</sup></b>	OCC	Get a well-rounded set of mechanical and electrical skills that prepare you for either a dynamic and in-demand career in the diverse manufacturing industry or to train as an apprentice in different trades, including as a millwright, electrician, HVAC technician or machinist. Upon graduation, students may enter into year two of the Manufacturing Engineering Technician program.	Loyalist's program uses many of the same curriculum standards as apprenticeship training for industrial mechanics (millwrights), machinists and electricians.
<b>Manufacturing Engineering Technician<sup>††</sup></b>	OCD	Employers seek skilled workers who will help them to compete globally. Prepare to be in demand with a powerful combination of mechanical and electrical control skills that you can apply in any manufacturing career.	Gain hands-on experience using the latest CNC lathes, milling machines and 3D printing equipment, and design components using Autodesk, AutoCAD and CAD/CAM. Graduates can work as technicians or seek formal apprenticeship training.
<b>Motive Power Fundamentals – Parts &amp; Counter Personnel</b>	OCC	Train for a career in the fast-paced and ever-changing automotive field with expertise that can be applied to motive power trades such as heavy equipment, small engine, marine, power sport, truck and coach, and agricultural technician.	Practise your skills on real vehicles, and gain hands-on experience using state-of-the-art technology, tools and equipment. Learn in small classes with a focus on experiential learning from instructors who are industry experts.
<b>Motive Power Technician – Service &amp; Management</b>	OCD		
<b>Welding Techniques<sup>††</sup></b>	OCC	The precision work of welders and fabricators holds up bridges and delivers miners safely underground. Gain skills in welding, fabrication, detailing and millwrighting that you can use across the country, from coast to coast, in virtually any industry.	Practise a range of in-demand fabrication techniques and work with CNC technologies in this hands-on program. Gain real-life experience by completing projects such as fire pits for Ontario Parks or bike corrals for industry partners.
<b>Welding &amp; Fabrication Technician<sup>††</sup></b>	OCD		

PLAY VIDEO

Skilled trades and technology professionals are in high demand, providing specialized skills for a diverse range of industries. With a focus on hands-on learning in state-of-the-art facilities, prepare for an exciting career in sectors such as transportation, manufacturing, automation and computer systems.

# Biosciences

[loyalistcollege.com/biosciences](http://loyalistcollege.com/biosciences)

	CREDENTIAL	PROGRAM DESCRIPTION	PROGRAM HIGHLIGHTS	PLACEMENT
<b>Biotechnology</b>	OCD	Biotechnology plays a critical role in the battles against hunger, disease and pollution. It is used in developing precision medicines and gene therapies, engineering crops to improve their yield and nutrition, and in quality control and assurance within emerging fields such as the cannabis industry.	Hands-on learning in state-of-the-art instrumentation and molecular biology labs combines classroom theory and practical, lab-based instruction. Get experience with instrumentation used in genetics, microbiology, fermentation and forensics.	✓
<b>Biotechnology – Advanced</b>	OCAD			✓
<b>Chemical Engineering Technician</b>	OCD 	Chemical engineering technicians and technologists are at the heart of many growing fields, from leading-edge research around alternative fuels to protecting the safety of our food and water supply. Prepare for an exciting career working in high-tech labs with real-world results.	Apply theory to practice with project-based assignments. Third-year students gain valuable hands-on work experience by collaborating with industry or community partners in the development and execution of an applied research project.	✓
<b>Chemical Engineering Technologist</b>	OCAD			✓
<b>Environmental Technician</b>	OCD	Environmental technicians/technologists combat environmental contamination through prevention, pollution abatement, waste reduction and public education. Gain the academic expertise and skills needed for a career where you can make a positive impact on the sustainability of the earth and its natural resources.	Through extensive fieldwork and hands-on learning in leading-edge laboratory facilities, sample natural environments and analyze environmental contaminants. Third-year students gain valuable workplace skills while completing an applied research project in collaboration with industry or community partners.	✓
<b>Environmental Technologist</b>	OCAD			✓
<b>Horticulture Technician Apprenticeship</b>	COA	A horticultural technician works with plants and has knowledge and skills in ornamental horticulture and plant health care. Using tools and machinery, this person installs, grows and maintains indoor and outdoor plants; builds urban and rural landscapes; maintains outdoor properties; cares for turf grass and golf courses; and installs and maintains irrigation systems.	'Earn while you learn' with 720 hours of in-school training and 5,400 hours of on-the-job training. Levels 1 and 2 available.	
<b>Radiation Safety</b>	OCC 	Prepare for a career supporting trades in radiological environments. Gain the knowledge and skills needed to monitor and control the radiation exposure of maintenance teams and personnel while implementing safety measures. Learn about occupational health and safety, and radiological work planning in industry.	Under the guidance of instructors with extensive industry experience, cover such topics as nuclear theory, contamination control and decontamination, radiation detection and instrumentation, radioactive waste management and control, and radioactivity testing analysis.	

Nurture your natural curiosity and develop the career-ready skills needed to be on the forefront of research and innovation. Whether you're interested in working in a lab or out in the field, Loyalist's Biosciences programs will equip you with the current industry training to have a lasting impact on fields ranging from horticulture and radiation protection to the biological, chemical and environmental sciences.

**SAMPLE COURSES†**

**POTENTIAL CAREERS**

Analytical Instrumentation · Biotechnology · Genetics · Lab Methods – Molecular Biology · Microbiology · Tissue Culture

Lab technician, quality control technician, research/development officer, lab analyst

Research technologist, lab technologist, quality control/quality assurance technologist

Analytical Chemistry · Chemical Engineering · Extraction Techniques · Microbiology · Organic Chemistry · Polymers

Chemical process operator, laboratory assistant, inspector, production technician

Chemical engineering technologist, laboratory technologist, research technologist

Air Sampling & Monitoring · Environmental Chemical Analysis · Geomatics · Habitat Management & Assessment · Microbiology · Sustainability & Climate Change

Environmental technician, water treatment plant operator, waste management technician

Environmental technologist, water treatment plant operator, environmental consultant

Landscape Construction 1 · Plant Identification 1 · Plant Propagation 1 · Site Layout, Grading & Surveying · Turf Management 1

Horticultural technician

Contamination Control · Introduction to Nuclear Theory · Radiation Instrumentation & Survey Techniques 1 & 2 · Radiation Math · Industrial Culture & Human Performance Techniques

Radiation safety technician, radiation safety technologist

# Health & Wellness

[loyalistcollege.com/healthandwellness](http://loyalistcollege.com/healthandwellness)

	CREDENTIAL	PROGRAM DESCRIPTION	PROGRAM HIGHLIGHTS	PLACEMENT
<b>Bachelor of Science in Nursing</b>	<b>BScN</b>	Registered nurses choose many career directions, from making split-second decisions in the ER, to preventing illness through community health promotion. Meet new challenges every day in this personally and financially rewarding profession.	Spend the first two years at Loyalist and the final two years at Brock University. Students get hands-on experience in community settings, including hospitals, with clinical placements starting in the second semester.	✓
<b>Culinary Skills</b>	<b>OCC</b>	Being a top chef goes beyond loving food. It's about appreciating the soil and sunshine, how food is grown and what it takes to run a business. It means taking creative risks and constantly adapting. If this is the career of which you've been dreaming, start creating now in Loyalist's on-campus gourmet restaurant, Resto 213.	Create and innovate under the guidance of distinguished chefs with a rich appreciation of farm-to-table cuisine. Students participate in The Art of Flavour dinner series, which provides exposure to different styles of cuisine, winemaking and brewing, as well as potential job connections.	
<b>Culinary Management</b>	<b>OCD</b>			
<b>Fitness &amp; Health Promotion<sup>††</sup></b>	<b>OCD</b> 	More and more, people are looking to make the most of their exercise experiences with workouts that get results and are engaging and fun. Qualified fitness and health professionals help people lead better, longer lives through healthy, active lifestyles.	Learn and train in dedicated classrooms and labs while working with clients at the College. Gain the specific skills to prepare you to take nationally recognized certifications through the YMCA and CSEP as a group fitness instructor or personal fitness coach.	✓
<b>Massage Therapy<sup>††</sup></b>	<b>OCAD</b>	Massage therapists provide safe, effective and ethical care, supporting the wellness of others through techniques that can help alleviate pain, reduce stress and promote relaxation. Note: This program is pending Ministry funding approval.	Gain the knowledge and hands-on skills for a rewarding career in the massage therapy profession during this comprehensive program that includes on-campus and clinical placements under the supervision of registered massage therapists.	✓
<b>Occupational Therapist Assistant &amp; Physiotherapist Assistant<sup>††</sup></b>	<b>OCD</b> 	Occupational therapist assistants and physiotherapist assistants (OT/PTAs) support individuals in achieving optimal mobility and daily functioning. Prepare for a rewarding career helping people of all ages and abilities improve their quality of life.	Learn in state-of-the-art labs and dedicated classroom spaces from industry professionals, and complete over 500 hours of placement in various community facilities, including hospitals and long-term care organizations.	✓
<b>Paramedic (Belleville &amp; Bancroft Campuses)</b>	<b>OCD</b>	Paramedics are often the first people on the scene of an emergency. They balance compassion with critical decision-making skills and the ability to take command in a crisis and help save lives.	Prepare to respond to emergencies and provide life support measures in simulated and clinical placement situations. Learn to drive an ambulance through simulated technology as well as actual, supervised road time.	✓
<b>Personal Support Worker (Belleville Campus)</b>	<b>OCC</b> 	The demand for personal support workers is greater than ever and keeps growing in order to meet the needs of individuals and families in our communities. Make a difference every day by helping people live with independence and dignity.	Learn to effectively support clients in their day-to-day activities, emphasizing trust, respect and individual choice. Combining theory, laboratory practice and clinical placement, students apply what they've learned in a real-life setting.	✓
<b>Personal Support Worker (Bancroft &amp; Outreach Locations)</b>	<b>OCC</b>		This program is delivered in rural community settings. Learn in small classes and gain hands-on experience in labs and through field placements in Bancroft/outreach locations.	✓
<b>Practical Nursing</b>	<b>OCD</b> 	Practical nurses are integral members of a health care team, providing care to patients of all ages. They combine nursing skills, knowledge and clinical judgment to provide a full range of nursing care within their scope of practice.	Train in small clinical and lab groups with intensive personal instruction, and participate in virtual simulation with realistic, interactive scenarios. With support from a clinical teacher, interact with real patients beginning in second semester.	✓
<b>Pre-Health Sciences Pathway to Advanced Diplomas &amp; Degrees</b>	<b>OCC</b> 	The Pre-Health Sciences Pathway to Advanced Diplomas & Degrees is for students planning to enter a three-year advanced diploma program or four-year university degree program.	Learning combines classroom instruction, digital learning modules and hands-on science labs. Work toward your career goals with the support and guidance of a dedicated faculty team.	
<b>Pre-Health Sciences Pathway to Certificates &amp; Diplomas</b>	<b>OCC</b> 	The Pre-Health Sciences Pathway to Certificates & Diplomas is for students planning to enter a one-year college certificate or a two-year college diploma program.		
<b>Recreation &amp; Leisure Services – Sports<sup>††</sup></b>	<b>OCD</b>	Our busy days are often highly scheduled, making it essential that quality wellness and recreation services are available within our community. Recreation and sport professionals help build healthy communities and develop programs for individuals of all ages.	Plan programs and events for students at the College using dedicated classrooms and lab spaces. Graduates obtain the industry-recognized HIGH FIVE® certification in leadership and coaching, required to work with day camps and children's programs.	✓

Contribute to the well-being of individuals in your community by providing vital health care services and empowering others to make healthy lifestyle choices. Get hands-on experience in the growing health and wellness field with clinical placement and work-integrated learning opportunities.

	CREDENTIAL	PROGRAM DESCRIPTION	PROGRAM HIGHLIGHTS	PLACEMENT
<b>Child &amp; Youth Care</b>	OCAD 	Child and youth care practitioners offer life-changing support to vulnerable children, youth and their families. Prepare for a rewarding career helping young people by engaging with them in their everyday lives, building on their strengths, and empowering them to make positive changes. Choose the program delivery option that best fits your schedule. Program requirements are completed in six semesters, either in a three-year traditional or two-year accelerated program structure.	Connect with caring and experienced faculty in a learning community that supports personal and professional growth. Practise and apply real-world skills that are in high demand in the child and youth care field, and develop the skills, knowledge and self-awareness that employers are seeking. Follow us on Instagram @loyalisticyc to see us in action.	✓
<b>Child &amp; Youth Care (Accelerated)</b>	OCAD	Advanced standing options are available. For details, visit <a href="http://loyalistcollege.com/cywp">loyalistcollege.com/cywp</a> .		✓
<b>Developmental Services Worker</b>	OCD	As a developmental services worker (DSW), you will assist people with disabilities to live as valued, contributing members of the community. By providing support and advocacy, you will work towards full inclusion for the betterment of the entire community.	Learn to effectively support people with developmental disabilities, physical disabilities, autism, and people with dual diagnosis. Develop hands-on skills that will help people grow, develop relationships and actively participate in their community during three placements in years one and two.	✓
<b>Early Childhood Education</b>	OCD	Registered early childhood educators are committed to supporting young children, their families and communities in settings designed to build and maintain inclusive, responsive relationships that support holistic development, optimal learning and well-being.	Combining theory and practice, co-design inclusive learning environments to value and support equitable learning opportunities for children, families and communities in a range of early years and child care settings.	✓
<b>Social Service Worker</b>	OCD	Social service workers help individuals and families deal with broad and complex issues such as poverty, access to needed social supports, reduction of oppression and social prejudice, educational challenges, mental health, addictions, abuse, illness and loss.	Learn from faculty members who have significant experience in the field, and engage in the community through experiential learning and three unique field placements in a variety of settings. Graduates may apply to register with the Ontario College of Social Workers and Social Service Workers.	✓
<b>Social Service Worker (Accelerated)</b>	OCD			✓

Prepare for a rewarding career supporting and empowering diverse members of our communities. Through hands-on learning and work placement opportunities, develop the skills needed to foster the social and physical well-being of individuals of all ages.

**SAMPLE COURSES†**

Advocacy · Building Resilience · Child & Adolescent Mental Health · Therapeutic Engagement · Trauma Informed Practice

**POTENTIAL CAREERS**

Child and youth care practitioner, child and youth worker, student support counsellor, child care therapist, enhanced support worker, therapeutic foster parent

Disability & Ethical Issues · Leadership & Change · Philosophy of Support · Positive Behaviour Supports · Supporting Families · Valued Social Roles

DSW, educational assistant, activity director, residential support worker, respite worker

Creative Play · Observing Early Development · Policy, Advocacy & Professionalism · Preschool Learning Environment · Responsive Relationships

Registered early childhood educator in kindergartens and early years programs; early years curriculum consultant; early years programs in Canada and abroad

Development Across the Lifespan · Diversity, Marginalization & Oppression · Ethical Considerations & Professional Development · Foundational Concepts in Interviewing & Counselling · Social Engagement & Advocacy

Case worker, counsellor, support worker, social service worker, advocate

\* Number one college program of its kind in Ontario when it comes to Overall Student Satisfaction. (KPI stats released January 2020).

# Public Safety

[loyalistcollege.com/publicsafety](http://loyalistcollege.com/publicsafety)

	CREDENTIAL	PROGRAM DESCRIPTION	PROGRAM HIGHLIGHTS	PLACEMENT
<b>Community &amp; Justice Services<sup>††</sup></b>	OCD	Community and justice services professionals work within the justice system – focusing on keeping people out of it through prevention, intervention and rehabilitation. Help build stronger, safer communities by helping persons-at-risk gain the skills and support they need to make positive life choices.	Learn how to sharpen your assessment, de-escalation and communication skills during scenario-based role-plays, emphasizing personal safety and the protection of staff, clients and the community.	✓
<b>Customs Border Services<sup>††</sup></b>	OCD	Customs compliance and border security have emerged as areas of national focus in public safety and global trade. Prepare for a career in this dynamic segment of the Canadian economy. Learn with leaders using live scenarios emulated from Canada Border Services Agency (CBSA) training practices.	Prepare for a career in the Canada Border Services Agency (CBSA) through a variety of experiential learning opportunities. Complete hands-on training utilizing a repurposed primary inspection booth from the CBSA, and practise live vehicle and baggage search scenarios. Prepare for the unexpected and put all your skills to work at the 'Loyalist Airport.'	✓
<b>Paralegal</b>	OCD  **	Many people are overwhelmed by the justice system and the cost of legal representation. Paralegals are advocates who can offer legal services in defined areas such as small claims court, traffic court, tribunal work and minor criminal matters. The Law Society of Ontario accredits this program.	Prepare for a career as a licensed paralegal in Ontario through a blend of classroom instruction and practical experience. Apply your skills in a legal environment and observe the courts during two practicum courses, and participate in a mock trial in either the Ontario Court of Justice or the Superior Court of Justice.	✓
<b>Police Foundations<sup>††</sup></b>	OCD	Loyalist's program prepares you to be a great candidate for police services. To help you get started and make connections, Loyalist Police Foundations provides eligible students with experience, observing police officers in action, at their side.	Prepare for a challenging, exciting and fulfilling career in policing. Learn to interpret and apply the law, practise de-escalation techniques, and explore the importance of public trust between police and the communities they serve. Gain hands-on experience in the field by participating in eight weeks of front-line policing and community engagement placement activities.	✓
<b>Pre-Service Firefighter Education &amp; Training</b>	OCC	Firefighters are on the front line of emergency response and are an integral part of any community, contributing to public safety, fire awareness and education. Learn the skills and knowledge to prepare you for success in the fast-paced and rewarding field of firefighting with this program, which conforms to the requirements for the National Fire Protection Association (NFPA) 1001.	Gain the knowledge and skills needed to work effectively as part of a fire service team and with other emergency responders to provide comprehensive service in emergency and non-emergency situations. Practise and test your skills in simulated and controlled live fire training situations.	
<b>Protection, Security &amp; Investigation<sup>††</sup></b>	OCD	Extensive hands-on training and networking with industry professionals will prepare you for a wide range of careers in security, enforcement, investigations, inspection, risk assessment and emergency planning.	Develop the skills essential for success in this field with a range of experiential learning opportunities, including a virtual reality crime scene investigation, field trips, and exercises with our community partners. Further, gain hands-on experience and make valuable job connections during two placements.	✓

## †† Justice Studies Common First Year:

Gain insight into human behaviour and Canada's social and political structures during a common first year with four different Justice Studies programs. Students then transfer directly into the second year of Police Foundations, Community & Justice Services, Customs Border Services or Protection, Security & Investigation. In only one additional year, graduates can complete a second Justice Studies diploma, doubling their career options!

Help build strong and secure communities with a career in the field of public safety. Whether you're interested in working in enforcement, the judicial system or rehabilitation, Loyalist offers a range of programs to prepare you for a rewarding career.

**SAMPLE COURSES†**

**POTENTIAL CAREERS**

Abnormal Psychology · Addictions & Mental Health · Issues in Diverse Populations · Penology · Programming for Intervention & Reintegration

Correctional officer, youth services officer, adult residential worker, victim support worker

Border Services – Legislation & Procedures 1 · Brokerage & Logistics 1 · Conflict Management & Crisis Intervention · Forensic Search · Mental Health & Substance Use

Border services officer, enforcement officer, customs release analyst, customs broker

Criminal Summary Conviction · Evidence & the Litigation Process · Residential Landlord & Tenant Law · Small Claims Court · Tribunal Practice & Procedure

Paralegal, provincial offence prosecutor, legal assistant, case officer, advocate

Conflict Management & Crisis Intervention · Court Proceedings & Evidence · Criminal & Civil Law · Interviewing & Investigation · Police Recruitment Preparation

Police officer, correctional officer, by-law enforcement officer, special constable

Emergency Medical Response (EMR) · Fitness & Resiliency for Firefighters 1 · Fire Operations · Fire Suppression · Specialized Rescue & Operations

Firefighter, medical attendant, fire ranger, fire alarm technician

Criminology · Criminal Investigations · Emergency Planning · Enforce & Report · Mental Health & Substance Use

Special constable, military police officer, municipal law enforcement officer, security guard, private investigator

\*\*Number one English-speaking college program of its kind in Ontario when it comes to Overall Student Satisfaction. (KPI stats released January 2020).

# Access

[loyalistcollege.com/access](http://loyalistcollege.com/access)

	CREDENTIAL	PROGRAM DESCRIPTION	PROGRAM HIGHLIGHTS	PLACEMENT
<b>Career &amp; College Prep</b>	LCC	Improve on your English and math skills, earn required English or math credits, or achieve your Grade 12 equivalency. Let us help you get started on your journey. And it's free!	Individually tailored programs can include academic upgrading, training readiness, career and personal development, and job-search skills. Teaching is based on practical knowledge and situations that you can apply in your everyday life.	
<b>Community Integration Through Co-operative Education</b>	OCC	The Community Integration Through Co-operative Education (CICE) program is designed for students with intellectual disabilities and other significant learning challenges. Through modified programming and field placement opportunities, this pathway program will help you develop skills that will prepare you to transition to volunteer or paid employment.	The CICE program offers students quality one-on-one learning support in their electives as well as a rich learning environment with small class sizes. Placements are initially focused on entry-level employability skills and progress to match the student's area of interest by the fourth semester.	✓
<b>General Arts &amp; Science – One Year</b>	OCC 	Not sure which career path to follow? Explore your options, and define your interests, opportunities and goals while earning college-level credits that you can apply towards another program or a university degree.	Learn with a mix of group assignments, community projects, work experiences and online class activities. Work one-on-one with a faculty advisor to create a custom timetable with the opportunity to choose from a wide range of electives.	✓
<b>General Arts &amp; Science – Two Years</b>	OCD 			✓

# Post-Graduate

[loyalistcollege.com/postgraduate](http://loyalistcollege.com/postgraduate)

	CREDENTIAL	PROGRAM DESCRIPTION	PROGRAM HIGHLIGHTS	PLACEMENT
<b>Cannabis Applied Science</b>	OCGC	The legalization of cannabis has created a burgeoning cannabis job market, both within Canada and internationally. Develop the in-depth skills needed to support cannabis product development, inform process optimization, and address natural product quality, consistency and safety within this emerging industry.	Study advanced extraction technologies with an array of state-of-the-art analytical instrumentation in a Health Canada licensed facility. A focus on green technologies aligns with industry's transition away from the use of petrochemical solvents.	✓
<b>Care of Vulnerable Populations</b>	OCGC	Gain the skills and attitudes necessary to provide a range of support to help clients, specifically the aged and the terminally ill and their families, live as independently as possible through the provision of compassionate care where quality of life is the primary objective and symptom control is the basis for care.	Through hands-on learning, gain the skills required to provide supportive care to clients who are experiencing physical, cognitive, emotional and behavioural challenges.	✓
<b>Emergency Management &amp; Incident Response</b>	OCGC	Gain the knowledge and specialized skills needed to respond operationally and strategically to emergencies through mitigation and prevention, preparedness planning, response and recovery. Note: This program is pending Ministry funding approval.	Prepare to work in emergency management roles in various industries. Learn about planning and coordination, legislative frameworks, risks and assessment, incident management system, incident response, and crisis communications.	
<b>Human Resources Management</b>	OCGC	Human resources professionals help guide organizations with sound practices – hiring the right people, training them to be effective and developing strategies to motivate and inspire. Loyalist grads meet the academic requirements to write the Comprehensive Knowledge Exam (CKE) and apply for the Certified Human Resources Professional (CHRP) designation.	Learn to anticipate what's coming next in training and development, occupational health and safety, total-rewards, as well as work-life balance from expert faculty. Projects in the course emphasize real world application.	✓
<b>Law Clerk Advanced</b>	OCGC	Gain the specialized skills and knowledge to become a law clerk. This program is only available to graduates of a paralegal program accredited by the Law Society of Ontario.	Graduates of this program will offer a unique set of skills, those of both a paralegal and a law clerk. Prepare for a rewarding career working as part of a legal team in settings such as law firms, government legal departments, ministries and agencies, financial institutions, insurance companies and corporate legal departments.	
<b>Project Management</b>	OCGC 	Project management professionals have the expertise to oversee project timelines, costs and resources, ensuring organizations meet their objectives and get results.	Learn to manage project goals, constraints, deliverables, quality control and resource requirements as defined by stakeholders.	
<b>Public Relations – Event Management</b>	OCGC 	Public relations and event management professionals are increasingly in demand as employers recognize the value of effective communications. A career in PR and event management is never dull! From one day to the next, you could be pitching a story, holding a news conference, organizing an event or managing crisis communications.	An opportunity to network with more than 100 communications professionals during the program creates valuable workplace connections. In addition, connect one-on-one with a graduate working in the field through our e-mentoring program to ask questions and seek career advice.	✓
<b>Supply Chain Management – Global Logistics</b>	OCGC 	Before products hit the shelves, there's a lot of work that goes on behind the scenes – from purchasing materials and coordinating inventory to the distribution of finished goods. As global trade widens and deepens, demand continues to rise for skilled workers in the areas of supply chain logistics and international trade compliance.	Gain an in-depth knowledge of supply chain management and customs compliance, including risk management and the global movement of goods. A pathway agreement with the Supply Chain Management Association Ontario provides an efficient pathway for Loyalist program graduates to pursue their Certified Supply Chain Management Professional designation. This program has been approved by Supply Chain Canada, Ontario Institute for advanced standing toward attaining the Certified Supply Chain Management Professional (SCMP) Designation.	✓

Build on what you've learned at college or university by earning a post-graduate certificate in less than a year. Gain the in-demand practical skills sought after by employers while making valuable connections in your industry through intensive networking and work placement opportunities.

**SAMPLE COURSES†**

**POTENTIAL CAREERS**

Analytical Testing of Cannabis · Cannabis Chemistry · Cannabis Cultivation Science · Cannabis Formulation & Product Development · Cannabis Production & Process Optimization

Cannabis quality assurance manager, lead processing technician, formulation chemist

Aged Care Issues · Care Management in the Palliative Environment · Ethical, Legal & Spiritual Considerations in Palliative Care · Physiological Changes & Effects in the Care of the Aged · Psychosocial Implications of the Palliative Journey

Gerontology and palliative care speciality areas, including hospitals, long-term care facilities, retirement homes, community-home agencies and gerontology education

Emergency Operations Centre · Hazard Identification & Risk Assessment · Incident Management System · Incident Response & Internal/External Response Integration · Information Management & Crisis Communications

Emergency management analyst/coordinator/planner, incident commander, risk & emergency preparedness coordinator, safety & emergency management analyst

Advanced Employment Law · Compensation · HR Administration · Management Accounting · Organizational Theory & Design · Recruitment & Selection

Welding Techniques	OCC	Sept. Jan. (WELT) (WLT)	2 (1 year)	Grade 12 English*		loyalistcollege.com/welt	24

# How to Apply

## Application Process

For information on the application process, please visit [loyalistcollege.com](http://loyalistcollege.com) and view the page of the program to which you would like to apply. The process varies depending on the program credential and modality/delivery.

Visit [ontariocolleges.ca](http://ontariocolleges.ca) to apply to full-time in-class Ontario College diploma and certificate programs. Your application allows you up to five program choices, with no more than three at any one college. To register for Continuing & Distance Education courses, programs and certificates, visit [loyalistfocus.com](http://loyalistfocus.com).

If you are at another college or university and would like to switch to Loyalist, or you would like to transfer from Loyalist to university or another college, visit [ONTransfer.ca](http://ONTransfer.ca) or contact [pathways@loyalistcollege.com](mailto:pathways@loyalistcollege.com).

## Mature Applicants

A mature applicant is someone who meets all of the following criteria:

Is at least 19 years of age or older on the first day of classes in the year of admission.

Does not have an OSSD or equivalent.

Is a Canadian citizen or permanent resident.

## Equivalent Canadian Standards

In order to be considered for admission to Loyalist, applicants must provide proof of academic standing equivalent to a Grade 12 Ontario Secondary School Diploma (OSSD). Applicants from outside Ontario – including international applicants – must submit certified transcripts of their grades. Applicants whose first language is not English must provide documented proficiency in English. For details, visit [loyalistcollege.com/international](http://loyalistcollege.com/international).

## Admissions Decisions

Applicants can expect a decision (offer of admission, offer of admission with conditions, waitlisted, alternate offer of admission) via email. If you wish, you can request a verbal explanation from Loyalist Enrolment Services.

## Double Diplomas

Double diplomas are pairings of related programs that allow a graduate of a diploma program to complete a second diploma in only one additional calendar year. For detailed information and minimum requirements, contact the program coordinator of the second program.

## Transfer Credits

Applicants who have completed courses or a program at another post-secondary institution may be eligible to receive transfer credits. Applicants with previous post-secondary education are encouraged to share this documentation with Loyalist when they apply.
