

Loyalist College provides over \$1 million each year in awards, bursaries, scholarships and on-campus employment opportunities.

Scholarships, Bursaries and Awards

To be eligible for bursaries at Loyalist, students must be Ontario residents (unless otherwise stated), be registered full-time in a post-secondary program with a minimum 60 percent course load and demonstrate financial need. Students with a disability must be registered with AccessAbility Services at Loyalist and must have a minimum 40 percent course load and demonstrate financial need.

The application for Loyalist College bursaries can be accessed at myloyalist.com, click on **\$ Awards, Bursaries and Scholarships**.

What is the difference between a scholarship, bursary and an award?

A **scholarship** is a non-repayable sum of money awarded to a student to help finance further education. Most scholarships are based on merit in areas ranging from academic achievement to athletics. In certain cases, financial need may be taken into account as a secondary criterion to decide between candidates of approximately equal achievement.

A **bursary** is a non-repayable sum of money primarily based on financial need, but academic achievement may also be considered. When applying for bursaries, applicants must provide detailed documentation describing their financial situation.

An **award** is given in recognition of outstanding achievement. Awards may be in the form of books, plaques, subscriptions or money.

What is the difference between an entering, returning, graduating or post-graduate student?

An **entering** student is an individual who is entering post-secondary education for the first time. An entering student may not necessarily have come directly from high school. An entering student may also be a mature student who is entering College after several years in the workforce.

A **returning** student is an individual who is already enrolled in post-secondary studies, beyond first-year.

A **graduating** student is an individual who is completing his or her two- or three-year program of studies at Loyalist. Many award and scholarship recipients are identified by their program coordinators as having excelled in their studies. These awards generally recognize achievement throughout the students' academic term at Loyalist and are presented at the Convocation ceremony.

A **post-graduate** student is an individual who has previously graduated from a university or college program and is now entering post-graduate studies at Loyalist.

All awards and bursaries will be presented at the Undergraduate Awards Ceremonies, unless otherwise noted. Please refer to the Awards Directory that follows for specific details. Students are only required to apply for those awards/bursaries/scholarships with an application deadline. All other award and bursary recipients will be selected by program faculty or the academic awards committee.

For further information regarding awards, bursaries and scholarships offered at Loyalist, please contact the Awards Office at 613-969-1913, ext. 2202 or awards@loyalistcollege.com.

Other Financial Support

General bursaries based on financial need are available from funds set aside from tuition fees. For specific information about these bursaries, please contact the Financial Aid Office.

In addition to bursaries, opportunities are available College-wide through the College's On-Campus Employment Initiatives Program. For more information, please contact the Financial Aid Office at 613-969-1913, ext. 2226 or 2425.

Ontario Student Assistance Program (OSAP) is available to most students. This assistance is in the form of loans and grants. Further information can be accessed at osap.gov.on.ca.
