

TRAVEL MEDICAL INSURANCE POLICY

IMPORTANT NOTICE

Take the time to read Your policy and know Your coverage. Your coverage is subject to certain limitations, conditions and exclusions.

Pay special attention to capitalized words. They have a specific meaning which is explained in the Definitions section of this policy on page 7.

This policy is secondary to all other sources of coverage (page 6). Any benefits payable under this policy are in excess of any other coverage you may have with any other insurance company or any other source of recovery.

Benefit amounts described in the Policy are for a 365 day period except for the Psychiatric Hospitalization benefit (A6) and the Psychiatrist Fees benefit (A7) which have a lifetime maximum. Regardless of the number of policies You purchase in a 365 day period, benefit amounts do not renew until 365 days have elapsed from the Effective Date of the original policy purchased and on the anniversary date every year thereafter.

A Pre-Existing Condition exclusion applies to Medical Conditions that existed prior to Your Coverage Period (page 1). Be sure to check the Pre-Existing Condition exclusion (page 5) to see if it applies to You.

In the event of a Sickness, prior medical history will be reviewed when a claim is reported.

You are required to notify the Administrator prior to Treatment as described on page 7. Benefits are limited if You do not contact the Administrator within the specified time period.

RIGHT TO EXAMINE
